

# ADJUSTABLE ROD GUIDES - DEWEY 13" ROD GUIDE, .30

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

## Attributes

# ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE

## Safety Instructions

### Introduction

Thank you for choosing the ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE. This product is designed to assist in the cleaning of your rifle while ensuring the safety of both the user and the firearm. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

### General Safety Guidelines

- Always ensure the firearm is unloaded before using the rod guide.
- Use the rod guide only with compatible rifles as specified in the product description.
- Keep the rod guide and cleaning materials out of reach of children and pets.
- Inspect the product for any damage before use. Do not use if damaged.
- Always follow the manufacturer's instructions for cleaning your firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Avoid Contamination:** Ensure that the rubber Oring is properly seated to prevent bore solvent from contaminating the action, trigger, or magazine.
- **Correct Rod Length:** Always use a cleaning rod that is at least 10" longer than the barrel length for the 10" Rod Guide and 13" longer for the 13" Rod Guide.
- **Proper Adjustment:** Use the brass adjustment pin to securely fit the rod guide to your rifle's action length. Ensure it is tightened before use.
- **Handling Solvents:** Use bore solvents in a wellventilated area and wear appropriate protective gear such as gloves and goggles.
- **Storage:** Store the rod guide in a dry place when not in use to prevent deterioration.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is pointed in a safe direction and is completely unloaded.
- Gather all necessary cleaning materials, including the appropriate cleaning rod.

#### 2. Installation:

- Select the correct Rod Guide based on your cleaning rod length and rifle type.
- Insert the rod guide into the rifle chamber until it is securely seated.
- Adjust the brass adjustment pin to fit the action length of your rifle. Ensure it is tightened properly.

#### 3. Usage:

- Insert the cleaning rod through the rod guide.
- Apply bore solvent to the cleaning patch or brush as needed.
- Carefully push the cleaning rod through the bore, ensuring that the rod guide protects the chamber.
- Repeat as necessary to achieve a clean bore.

#### 4. PostCleaning:

- Remove the rod guide from the chamber.
- Clean any residue from the rod guide and inspect for damage.
- Store the rod guide and cleaning materials in a safe place.

## **Disposal Instructions**

- Dispose of any used cleaning materials in accordance with local regulations.
- If the rod guide is damaged beyond repair, dispose of it in a way that prevents it from being reused or causing harm.
- Check with local waste management authorities for specific disposal guidelines.

By following these guidelines, you can ensure a safe and effective cleaning process for your rifle with the ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE. Thank you for your attention to safety and proper usage.
