

# SHOTGUN PORT CLEANING BRUSH - DEWEY PORT CLEANING BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Specialty Cleaning Brushes](#)

## Compact; Gets Barrel Ports Clean Fast

Stainless steel brushes have the tough cleaning power to quickly loosen plastic wad residue and carbon fouling. Large, easy-to-grasp handle lets you get fouled barrel ports clean with minimal effort. Works great to remove carbon buildup around revolver forcing cones, cylinder face and other tight-to-reach areas on rifles and handguns. Supplied with three brushes, refill 6-paks available.

# SHOTGUN PORT CLEANING BRUSH DEWEY Safety Instruction Guide

## Introduction

Thank you for purchasing the SHOTGUN PORT CLEANING BRUSH DEWEY. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the cleaning brush.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of cleaning shotgun ports and related components.
- Keep the cleaning brush out of reach of children and vulnerable individuals.
- Always inspect the cleaning brush before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use protective eyewear to prevent debris from entering your eyes during cleaning.
- Wear gloves to protect your hands from sharp edges and cleaning residues.
- Ensure that the firearm is unloaded and safe before cleaning.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning brush.
- Do not use the cleaning brush on hot surfaces or immediately after firing a firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the cleaning brush and protective gear.

### 2. Using the Cleaning Brush

- Grasp the large handle firmly to maintain control.
- Insert the brush into the barrel port or the area to be cleaned.
- Rotate the brush gently while applying minimal pressure to loosen debris.
- For tight areas, use the brush carefully to avoid damaging the firearm.

### 3. After Use

- Clean the brush with warm soapy water and allow it to dry completely.
- Store the cleaning brush in a dry place, away from children and pets.

## Disposal Instructions

- Dispose of the cleaning brush in accordance with local regulations regarding metal waste.
- Do not dispose of the cleaning brush in regular household waste if it is damaged or broken.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SHOTGUN PORT CLEANING BRUSH DEWEY, please refer to the contact details provided on the packaging or your purchase receipt. Ensure you have the product information at hand when reaching out for assistance.

Thank you for adhering to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your SHOTGUN PORT CLEANING BRUSH DEWEY responsibly.
