RIFLE & PISTOL CLEANING KITS DEWEY 9MM/.38 CAL. PISTOL KIT Safety Instructions

Introduction

Thank you for choosing the RIFLE & PISTOL CLEANING KITS DEWEY 9MM/.38 CAL. PISTOL KIT. This comprehensive firearm cleaning kit is designed to help you safely clean and maintain your rifles and handguns. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always keep the cleaning kit out of reach of children and vulnerable individuals.
- Ensure that the firearm is unloaded before using any cleaning materials.
- Use the cleaning kit in a wellventilated area to avoid inhaling any fumes from cleaning agents.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling cleaning chemicals.
- Regularly inspect the cleaning kit for any signs of damage or wear before use.
- Dispose of used cleaning materials and chemicals according to local regulations.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The brass rod can cause injury if used improperly. Always handle with care.
- Chemicals in the cleaning kit may be harmful if ingested or if they come into contact with skin. Follow all safety data sheet (SDS) guidelines.

- **Avoiding Hazards:**

- Do not use the cleaning kit near open flames or heat sources.
- Ensure that the cleaning area is free from any flammable materials.
- Do not mix different cleaning chemicals, as this may create hazardous reactions.

- **Age and AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that any users are trained in the safe handling of firearms and cleaning equipment.

Instructions for Installation and Usage

- **Preparation:**

- Gather all components of the cleaning kit.
- Ensure your firearm is completely unloaded and the area is safe for cleaning.

- **Using the Cleaning Kit:**

1. Attach the brasscore bore brush to the brass "Loop" rod.
2. Insert the rod into the firearm's barrel from the chamber end.
3. Gently push the brush through the barrel, then pull it back out. Repeat as necessary.
4. Use the brass patch loop to attach a cleaning patch soaked in Shooters Choice FP10 lubricant.
5. Insert the patch into the barrel and run it through to clean and lubricate.

6. Use the nylon cleaning brush to scrub any remaining debris from the firearm.
7. Wipe down the exterior of the firearm with the rustpreventing silicone cloth.

- **PostCleaning:**

- Inspect the firearm to ensure it is clean and functioning properly.
- Store the cleaning kit in a safe and dry location.

Disposal Instructions

- Dispose of used cleaning patches and materials in accordance with local waste disposal regulations.
- Do not dispose of any chemicals down the drain or in regular trash unless specifically allowed.
- Refer to the safety data sheets for proper disposal methods for any hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the RIFLE & PISTOL CLEANING KITS DEWEY 9MM/.38 CAL. PISTOL KIT, please refer to the product packaging or your retailer for further assistance.

Thank you for taking the time to read and understand these safety instructions. Your safety is our priority. Enjoy using your cleaning kit responsibly!
