# RIFLE & PISTOL CLEANING KITS DEWEY .22 CAL. RIFLE KIT Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE & PISTOL CLEANING KITS DEWEY .22 CAL. RIFLE KIT. This comprehensive cleaning kit is designed to help you maintain your firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the operation and maintenance of your firearms before using this cleaning kit.
- Always handle firearms with care, treating them as if they are loaded.
- Keep cleaning products away from children and pets.
- Store the cleaning kit in a cool, dry place, away from direct sunlight.
- Regularly check the kit for any damaged or worn components before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the cleaning kit in a wellventilated area to avoid inhaling fumes from cleaning solvents and lubricants.
- Wear protective eyewear when using cleaning solvents to prevent irritation.
- Avoid contact with skin and eyes; use gloves if necessary.
- Do not ingest any cleaning products; keep them out of reach of children.
- Ensure that your firearm is unloaded before cleaning.
- Follow the manufacturer's instructions for cleaning solvents and lubricants.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all cleaning materials from the kit.

### 2. Cleaning Process:

- Attach the appropriate rod to the bore brush or patch loop.
- Insert the rod into the barrel from the muzzle end, taking care not to damage the rifling.
- Use the brasscore bore brush to scrub the interior of the barrel, applying a suitable cleaning solvent as needed.
- After brushing, use a patch soaked in cleaning solvent to wipe the barrel, followed by dry patches until they come out clean.
- Apply a few drops of Shooters Choice FP10 lubricant to the barrel and other moving parts of the firearm as per the manufacturer's instructions.

### 3. Final Steps:

- Wipe down the exterior of the firearm with the rustpreventing silicone cloth.
- Reassemble any disassembled parts of the firearm.
- Store the cleaning kit and any leftover cleaning materials in a safe location.

## **Disposal Instructions**

- Dispose of used patches and cleaning materials in accordance with local regulations.
- Do not dispose of cleaning solvents or lubricants down the drain; check with local waste management for proper disposal methods.
- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the RIFLE & PISTOL CLEANING KITS DEWEY .22 CAL. RIFLE KIT, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these guidelines and instructions, you can ensure a safe and effective cleaning experience for your firearms. Thank you for prioritizing safety and compliance with EU regulations.
