# Safety Instruction Guide for COATED ROD ADAPTERS DEWEY LGPH FITS .30 CAL. PHALE

## Introduction

Thank you for choosing the COATED ROD ADAPTERS DEWEY LGPH FITS .30 CAL. PHALE. This guide provides essential safety instructions to ensure safe usage of the product. Please read this guide carefully before using the product to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to adapt Dewey rods for various calibers and accessories.
- Always inspect the product for any visible damage before use. Do not use if any part is damaged or broken.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all manufacturer instructions for safe handling and usage.
- If you experience any issues while using the product, stop using it immediately and consult a professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using cleaning rods and accessories.
- Ensure that the rod adapters are securely attached to the rod before use to prevent detachment during operation.
- Do not exceed the recommended caliber limits when using the adapters to avoid potential malfunctions.
- Avoid using excessive force when attaching or detaching accessories to prevent damage to the adapters or the rods.
- Store the product in a dry and safe location when not in use to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Dewey rod you are using is clean and free from debris.
- Select the appropriate adapter based on the caliber and accessory you wish to use.
- Screw the adapter firmly onto the male end of the Dewey rod, ensuring it is tightly secured.
- If using a female adapter, ensure it is attached to the appropriate male accessory.

### 2. Usage:

- Once the adapter is securely attached, proceed to use the cleaning accessory as needed.
- Always follow the manufacturer's guidelines for the cleaning accessories to ensure proper usage.
- After use, carefully detach the accessory from the adapter and store both in a safe place.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that any packaging materials are also disposed of properly.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the COATED ROD ADAPTERS DEWEY LGPH FITS .30 CAL. PHALE, please refer to the manufacturer's contact details provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience with your COATED ROD ADAPTERS DEWEY LGPH FITS .30 CAL. PHALE. Thank you for your attention to these important safety instructions.
