CHR Conversion Kit Safety Instructions

Introduction

Thank you for choosing the CHR Conversion Kit by DEWEY. This product is designed to enhance the cleaning process of your rifle chamber rods, making it easier and more efficient to maintain your firearm. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the area where you are using the kit is wellventilated and free from any flammable materials.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any signs of wear or damage before use.
- Do not use the kit if any components are damaged or missing.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the CHR Conversion Kit only for its intended purpose—cleaning rifle chamber rods.
- Avoid using excessive force when attaching or detaching components to prevent damage.
- Always ensure that the cleaning head is securely locked in place before use.
- Use protective eyewear to safeguard against debris or cleaning materials that may become dislodged during use.
- Do not use the kit while the firearm is loaded. Always ensure that the firearm is unloaded before cleaning.
- If using cleaning solvents, follow the manufacturer's safety instructions for those products.

Instructions for Installation and Usage

1. **Preparation:** Gather all components of the CHR Conversion Kit, including:

- (1) Lug Recess Cleaning Head with 8/32 male thread
- (8) Cotton Rolls
- (2) Lug Recess Cleaning Felts
- (1) 1/16 Hex Wrench

2. **Installation:**

- Attach the Lug Recess Cleaning Head to the tip of the CHR chamber rod.
- Use the 1/16 Hex Wrench to tighten the set screw, ensuring the cleaning head is firmly secured.

3. **Using the Kit:**

- Insert the cleaning head into the chamber of the firearm.
- Use a gentle, rotating motion to clean the lug recess area.
- Replace the cleaning felts and cotton rolls as needed to maintain cleanliness and effectiveness.
- After use, remove the cleaning head and clean all components according to the manufacturer's guidelines.

4. **PostUse Care:**

- Store the kit in a cool, dry place away from direct sunlight.
- Regularly check the components for wear or damage, replacing as necessary.

Disposal Instructions

- Dispose of any used cleaning felts and cotton rolls in accordance with local waste disposal regulations.
- Do not dispose of the kit in household waste; instead, check with local recycling programs for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to the appropriate contact in your region. It is important to have a local point of contact for any safety concerns or questions.

Thank you for following these safety instructions. Your adherence to these guidelines helps ensure safe and effective use of the CHR Conversion Kit. Enjoy your cleaning experience!
