GRENADE LAUNCHER CLEANING KIT DEWEY

Safety Instruction Guide

Introduction

Thank you for choosing the GRENADE LAUNCHER CLEANING KIT DEWEY. This product is designed specifically for cleaning and maintaining the military issue M203 (40mm) grenade launcher and its 37mm variants. It is essential to follow the safety instructions provided in this guide to ensure safe and effective use of the cleaning kit.

General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
 - Read all instructions and warnings before using the product.
 - Keep the cleaning kit out of reach of children and vulnerable groups.
 - Use the product only for its intended purpose as specified in this guide.
 - Inspect the cleaning kit before each use for any damage or wear.
 - Do not use any cleaning solutions that are not recommended for use with the cleaning kit.
 - Store the cleaning kit in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- When using the GRENADE LAUNCHER CLEANING KIT DEWEY, please observe the following precautions:
 - Always wear safety goggles and gloves when cleaning to protect your eyes and skin from solvents and debris.
 - Ensure the grenade launcher is unloaded and in a safe condition before starting the cleaning process.
 - Avoid using excessive force when cleaning to prevent damage to the cleaning rod or brushes.
 - Do not leave cleaning solvents unattended or in an area accessible to children or pets.
 - Dispose of used cleaning materials and solvents according to local regulations.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the cleaning kit:
 - 1. Assembly of the Cleaning Rod:**
 - Take the twopiece aluminum cleaning rod and connect the 8" section to the 14" section until secure.
 - 2. Using the Phosphor Bronze Brush:**
 - Attach the 5/16"27 phosphor bronze brush to the cleaning rod.
 - Insert the brush into the launcher tube and gently rotate while pushing it through to loosen carbon buildup.
 - 3. Using the Cotton Mop:**
 - Attach the 5/16"27 cotton mop to the cleaning rod.
 - Apply appropriate solvent to the mop and insert it into the launcher tube.
 - Move the mop back and forth to apply the solvent and prevent rust.
 - 4. Disassembly:**
 - After cleaning, carefully disconnect the cleaning rod sections and remove the brush and mop.
 - Clean and dry all components before storing them in a safe location.

Disposal Instructions

- Proper disposal of cleaning materials is essential to ensure environmental safety:
 - Dispose of used brushes, mops, and cleaning solvents according to local hazardous waste regulations.
 - Do not dispose of cleaning products in regular household waste or down the drain.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the GRENADE LAUNCHER CLEANING KIT DEWEY, please contact the designated EUbased contact point provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the GRENADE LAUNCHER CLEANING KIT DEWEY. Thank you for your attention to these important guidelines.
