# Cleaning Rod Loops Dewey 22 Cal Female Threaded Loop Safety Instructions

## Introduction

Thank you for choosing the Cleaning Rod Loops Dewey 22 Cal Female Threaded Loop. This product is designed specifically for use with Dewey Coated Rifle Rods. In order to ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only as intended, with Dewey Coated Rifle Rods.
- Always check the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible calibers: 22 Caliber (.223.224), 243/6 mm (.243), and 25 Caliber (.257).
- Avoid using excessive force when attaching or detaching the loop from the rifle rod to prevent damage.
- Ensure that the cleaning rod is securely attached before use to avoid accidents.
- Do not modify the product in any way, as this may compromise safety.
- Always wear appropriate eye protection when using cleaning products and tools.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Dewey Coated Rifle Rod is clean and free from debris.
- Align the female threaded loop with the threaded end of the Dewey Coated Rifle Rod.
- Gently screw the loop onto the rod by turning it clockwise until it is securely fastened.
- Do not overtighten, as this may damage the threads.

### 2. Usage:

- Select the appropriate cleaning patch or accessory for your caliber.
- Insert the cleaning patch or accessory into the loop.
- Carefully guide the cleaning rod through the barrel of the firearm, ensuring that you do not apply excessive pressure.
- After cleaning, remove the rod and loop from the firearm, and detach the loop by turning it counterclockwise.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste; check for any recycling programs available in your area.
- Ensure that the product is out of reach of children during disposal.

## **Contact Information for Further Support**

For any safety inquiries or support related to this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can help ensure a safe and effective cleaning experience with your Cleaning Rod Loops Dewey 22 Cal Female Threaded Loop. Thank you for your attention to safety.
