# Safety Instruction Guide for .17 & .20 Cal. Bore Mops

## Introduction

Thank you for choosing the .17 & .20 Cal. Bore Mops by DEWEY. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the bore mops.

## General Safety Guidelines

- Always use the bore mop for its intended purpose, which is cleaning .177 caliber airguns and .17 caliber centerfires.
- Ensure that the bore mop is compatible with your cleaning rod. This product is designed to fit Dewey and Outers small caliber rods.
- Keep the bore mop out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Inspect the bore mop for any damage or wear before each use. Do not use if the product is damaged.
- Follow all manufacturer instructions and guidelines for use.

## Specific Safety Precautions for Use

- When using the bore mop, avoid excessive force which could damage the cleaning rod or the bore mop itself.
- Do not use the bore mop on firearms that are loaded or have ammunition present. Always ensure the firearm is unloaded before cleaning.
- Be cautious of the twisted brass wire, as it may have sharp edges. Handle with care to avoid injury.
- Store the bore mops in a dry and safe place, away from direct sunlight and moisture, to maintain their quality.
- If you notice any product malfunction or if the bore mop does not perform as expected, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition for cleaning.
- Select the appropriate caliber bore mop for your firearm: .17 caliber for .177 caliber airguns and .17 caliber rimfires and centerfires, and .20 caliber for .204 Ruger and .20 caliber wildcats.

### 2. Installation:

- Attach the bore mop to the cleaning rod by screwing it onto the 540 male thread securely.
- Ensure that the connection is tight to prevent the bore mop from detaching during use.

### 3. Usage:

- Insert the bore mop into the barrel of the firearm gently.
- Pull the bore mop through the barrel slowly and evenly to clean the interior surfaces. Do not rush this process.
- Repeat the process as necessary until the barrel is clean.

### 4. PostCleaning:

- After cleaning, remove the bore mop from the cleaning rod and inspect it for any damage.
- Clean the bore mop if needed and store it properly.

## **Disposal Instructions**

- Dispose of the bore mop in accordance with local regulations.
- If the bore mop is damaged or no longer usable, consider recycling the cotton material if possible.
- Do not dispose of the bore mop in regular household waste if it poses environmental hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your .17 & .20 Cal. Bore Mops. Thank you for your attention to safety and proper usage.
