GRENADE LAUNCHER CLEANING KIT DEWEY B37/40MM REPLACEMENT BRUSH Safety Instruction Guide

Introduction

Thank you for choosing the GRENADE LAUNCHER CLEANING KIT DEWEY B37/40MM REPLACEMENT BRUSH. This guide provides essential safety instructions to ensure the safe use and maintenance of your cleaning kit. Please read the entire guide carefully before using the product.

General Safety Guidelines

- Always use the cleaning kit in accordance with the manufacturer's instructions.
- Keep the cleaning kit out of reach of children and vulnerable individuals.
- Always inspect the cleaning kit for any damage or wear before use.
- Ensure that the cleaning kit is used in a wellventilated area to avoid inhalation of fumes from solvents.
- Do not use the cleaning kit for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When handling solvents and cleaning agents, wear appropriate protective gear such as gloves and safety goggles.
- Avoid contact with skin and eyes when using solvents; in case of contact, rinse immediately with plenty of water.
- Store solvents and cleaning agents in a cool, dry place away from direct sunlight and heat sources.
- Ensure that the cleaning rod is securely attached before use to prevent breakage or injury.
- Do not force the cleaning rod into the barrel; apply gentle pressure to avoid damaging the firearm.

Instructions for Installation and Usage

1. Assemble the Cleaning Rod:

- Take the 14" aluminum rod and attach the 8" extension if needed.
- Ensure that the connection is secure by twisting until tight.

2. Attach the Brush or Mop:

- Select the appropriate brush or mop (phosphor bronze brush or cotton mop).
- Screw the selected brush or mop onto the 5/16"27 threads of the cleaning rod until secure.

3. Clean the Grenade Launcher:

- Insert the brush or mop into the launcher tube.
- Use a gentle, backandforth motion to clean the interior surfaces.
- For heavy carbon buildup, apply a suitable solvent to the brush or mop before use.

4. Apply Solvent:

- Use the cotton mop to apply solvents and rust preventives evenly inside the launcher tube.

5. Disassemble After Use:

- Carefully unscrew the brush or mop from the cleaning rod after use.
- Clean the brush and mop as per the manufacturer's recommendations and store them properly.

Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of cleaning agents down the drain or in regular household waste.
- Ensure that all components of the cleaning kit are disposed of responsibly.

Contact Information for Further Support

For any additional support or inquiries regarding the GRENADE LAUNCHER CLEANING KIT DEWEY B37/40MM REPLACEMENT BRUSH, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and effective cleaning experience.
