GRENAD LAUNCHER CLEANING KIT DEWEY M37/40MM REPLACEMENT MOP Safety Instructions

Introduction

Thank you for choosing the GRENAD LAUNCHER CLEANING KIT DEWEY M37/40MM REPLACEMENT MOP. This product is designed to clean and maintain militarygrade grenade launchers safely and effectively. Please read and follow these safety instructions carefully to ensure safe use and proper maintenance of your cleaning kit.

General Safety Guidelines

- Always use the cleaning kit in accordance with the manufacturer's instructions.
- Keep the cleaning kit out of reach of children and unauthorized users.
- Inspect all components of the cleaning kit before use for any signs of damage or wear.
- Store the cleaning kit in a safe and dry location to prevent damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the grenade launcher is unloaded and in a safe state before commencing cleaning.
- Use protective eyewear when handling cleaning solvents and brushes to prevent eye irritation.
- Avoid inhaling fumes from cleaning solvents; work in a wellventilated area.
- Do not use the cleaning kit for any purpose other than its intended use.
- Dispose of used cleaning materials and solvents according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the grenade launcher is completely unloaded and safe to handle.
- Gather all components of the cleaning kit.

2. Assembling the Cleaning Rod:

- Combine the 8" and 14" aluminum rod sections by screwing them together. Ensure they are securely fastened.

3. Using the Phosphor Bronze Brush:

- Attach the 5/16"27 phosphor bronze brush to the cleaning rod.
- Insert the brush into the launcher tube and gently scrub to remove carbon buildup. Rotate the brush while pulling it in and out for optimal cleaning.

4. Using the Cotton Mop:

- Replace the brush with the 5/16"27 cotton mop.
- Apply a suitable solvent to the mop and insert it into the launcher tube. This will help apply rust preventives and solvents evenly.

5. Finishing Up:

- After cleaning, disassemble the cleaning rod and store all components in a dry place.
- Clean any residual solvent from the mop and brush before storage.

Disposal Instructions

- Dispose of used cleaning materials, such as brushes and mops, in accordance with local waste management regulations.
- Ensure that any solvents are disposed of at designated hazardous waste facilities.

Contact Information for Further Support

For any inquiries or concerns regarding the GRENADE LAUNCHER CLEANING KIT DEWEY M37/40MM REPLACEMENT MOP, please reach out to the manufacturer or authorized distributor. They will provide you with the necessary support and information regarding the product.

Thank you for your attention to these safety instructions. Enjoy using your cleaning kit responsibly and safely.
