# Safety Instruction Guide for .17 & .20 Caliber Bore Brush

## Introduction

Thank you for choosing the .17 & .20 Caliber Bore Brush by Dewey. This product is designed for cleaning .177 caliber airguns, .17 caliber rimfire and centerfire guns, as well as .20 caliber rifles including .204 Ruger and .20 caliber wildcats. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the bore brush with care to avoid injury.
- Use the bore brush only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the bore brush.
- Avoid using excessive force when cleaning to prevent damage to the bore brush and the firearm.
- Do not use the bore brush in a manner that could cause it to become lodged in the firearm.
- Wear safety glasses to protect your eyes from debris during cleaning.
- Use in a wellventilated area to avoid inhaling any cleaning residue.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning tools and materials.

### 2. Attaching the Bore Brush:

- Screw the bore brush onto the appropriate Dewey or Outers small caliber rod using the 540 male thread.
- Ensure that the brush is securely attached before use.

### 3. Cleaning Process:

- Insert the bore brush into the barrel of the firearm.
- Gently push and pull the brush through the barrel to clean it. Do not force it.
- Repeat the process as necessary until the barrel is clean.

### 4. PostCleaning:

- Remove the bore brush from the barrel.
- Clean the bore brush with a suitable solvent and allow it to dry.
- Store the bore brush in a safe, dry place away from children.

## Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.

- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the .17 & .20 Caliber Bore Brush, please contact the manufacturer or refer to the product packaging for additional support information.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of the .17 & .20 Caliber Bore Brush. Always prioritize safety when handling firearms and cleaning equipment. Thank you for your attention to these important safety measures.
