

# HANDGUN CHAMBER & CYLINDER CLEANING ROD - DEWEY CHAMBER/CYLINDER CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Short Length For Maximum Leverage & No Flex

Non-scratching, solid brass cleaning rod helps make short work of stubborn chamber fouling in handguns. Threaded rod accepts popular 8-32 tpi chamber brushes, mops, and other accessories. Allows cleaning of any pistol or revolver chamber from .357/.38/9mm to .50 caliber. Large, comfortable handle ensures your cleaning energy is directed on removing crud instead of controlling the rod.

# **Safety Instruction Guide for HANDGUN CHAMBER & CYLINDER CLEANING ROD DEWEY CHAMBER/CYLINDER CLEANING ROD**

## **Introduction**

Thank you for choosing the HANDGUN CHAMBER & CYLINDER CLEANING ROD by DEWEY. This product is designed to assist you in the safe and effective cleaning of handgun chambers and cylinders. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the cleaning rod is used only for its intended purpose: cleaning handgun chambers and cylinders.
- Always inspect the cleaning rod before use to ensure it is in good condition and free from defects.
- Keep the cleaning rod and all cleaning accessories out of reach of children and vulnerable individuals.
- Do not use the cleaning rod on firearms that are loaded or have ammunition present.
- Always follow the manufacturer's instructions for cleaning your specific firearm model.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Before cleaning, ensure that the firearm is completely unloaded and the chamber is clear.
- Use only compatible 832 tpi chamber brushes, mops, and accessories with the cleaning rod.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Do not leave the cleaning rod unattended while in use.
- Store the cleaning rod in a safe place after use to prevent accidents or misuse.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is unloaded and the chamber is clear.
- Gather all necessary cleaning supplies, including the cleaning rod, brushes, and cleaning patches.

### **2. Attaching Accessories**

- Thread the desired chamber brush or mop onto the cleaning rod's end.
- Ensure the attachment is secure before proceeding.

### **3. Cleaning Process**

- Insert the cleaning rod into the chamber of the handgun.
- Gently push the cleaning rod through the chamber, applying light pressure to remove fouling.
- Withdraw the cleaning rod and inspect the brush or mop for residue.
- Repeat as necessary until the chamber is clean.

### **4. PostCleaning**

- After cleaning, remove the brush or mop from the rod.

- Clean the rod with a soft cloth to remove any debris.
- Store the cleaning rod in a safe location, away from children and pets.

## **Disposal Instructions**

- Dispose of any used cleaning patches, brushes, or mops in accordance with local waste disposal regulations.
- The cleaning rod itself can be disposed of as metal waste if it is no longer usable.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the HANDGUN CHAMBER & CYLINDER CLEANING ROD, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Proper use and care of the HANDGUN CHAMBER & CYLINDER CLEANING ROD will ensure a safe and effective cleaning experience.
