

# MIL/LE PISTOL CLEANING KIT - DEWEY 9MM/.357/.38 MIL/LE PISTOL KIT

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Handgun Cleaning Kits](#)

## Essential Cleaning Gear For Popular Service Pistol Calibers

Caliber-specific kits for basic cleaning of service pistols in calibers commonly deployed with military and law enforcement agencies. Available for 9mm/.357/.38 and .40, each kit includes 6" brass cleaning rod, brass loop, and bronze bore brush to protect your weapon's rifling; a ½ oz. bottle of Shooter's Choice FP-10 for thorough cleaning and lubrication; a GB-5 double-ended military parts brush; and a silicone-impregnated wipe-down cloth. Compact, zippered vinyl storage pouch stows easily in a pack or vehicle, yet has plenty of room for additional items.

## 9MM/.357/.38 Safety Instruction Guide

### Introduction

Thank you for choosing the MIL/LE PISTOL CLEANING KIT DEWEY 9MM/.357/.38. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product. Please read this document carefully before using the kit.

### General Safety Guidelines

- Ensure you are of legal age to purchase and use cleaning kits for firearms.
- Always handle firearms with care and follow all safety procedures.
- Store the cleaning kit out of reach of children and vulnerable individuals.
- Inspect all components of the cleaning kit for damage before use.
- Use the kit only as intended and according to the instructions provided.
- If you experience any adverse reactions to cleaning products, discontinue use immediately and seek medical advice.

### Specific Safety Precautions for Use

- **Chemical Safety:** The included Shooter's Choice FP10 cleaner contains chemicals that may be harmful.
  - Always use in a wellventilated area.
  - Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
  - Do not ingest any cleaning products.
- **Firearm Safety:** Before cleaning, ensure that the firearm is unloaded and pointed in a safe direction.
- **Tool Safety:** When using the cleaning rod and brushes, apply gentle pressure to avoid damaging the firearm's rifling.
- **Disposal of Materials:** Dispose of used patches and cleaning materials according to local regulations.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe location.
- Gather all components of the cleaning kit.

#### 2. Using the Cleaning Rod:

- Attach the brass loop to the cleaning rod.
- Insert a cotton flannel patch into the brass loop.
- Moisten the patch with Shooter's Choice FP10 cleaner.
- Insert the cleaning rod into the firearm's barrel from the chamber end and push it through to the muzzle end.

#### 3. Bore Cleaning:

- After using the patch, replace it with the bronze bore brush.
- Insert the bore brush into the barrel and move it back and forth gently to remove fouling.
- Follow up with another moistened patch to remove any remaining debris.

#### 4. Final Cleaning:

- Use the doubleended military parts brush to clean any other parts of the firearm as needed.
- Wipe down the exterior of the firearm with the siliconeimpregnated cloth.

#### **5. Storage:**

- After cleaning, store all components in the zippered storage pouch.
- Keep the pouch in a cool, dry place, away from direct sunlight.

## **Disposal Instructions**

- Dispose of any unused or expired cleaning products according to local hazardous waste regulations.
- Used patches and cleaning materials should be disposed of in accordance with local waste management guidelines.
- Ensure that all components are stored securely until disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the MIL/LE PISTOL CLEANING KIT DEWEY 9MM/.357/.38, please consult the retailer or manufacturer from whom you purchased the kit. They can provide additional support and information regarding safety and usage.

Thank you for your attention to these safety guidelines. Proper use of the MIL/LE PISTOL CLEANING KIT will help maintain your firearm in optimal condition while ensuring your safety and the safety of others.
