

AR-15/M16/ 308 AR CLEANING ROD GUIDE - DEWEY ROD GUIDE, AR-15/M16 6.8MM

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Keeps Solvent Out Of The Action

The combination of limited chamber space and the large tube inside diameter needed for brush clearance eliminates the possibility of any type of chamber sealing o-ring. We have incorporated a front brass bushing, which centers the guide in the barrel extension and butts up against the chamber opening. The large o-ring on the back end locks into the bolt opening at the rear of the receiver to reduce longitudinal movement of the guide during the cleaning process. Made from Delrin, Brass, and Anodized Aluminum For use with any J. Dewey Cleaning Rods

Attributes

- Name: [DEWEY ROD GUIDE, AR-15/M16 6.8MM](#)

AR15/M16/308 AR Cleaning Rod Guide Safety Instructions

Introduction

Thank you for choosing the AR15/M16/308 AR Cleaning Rod Guide by DEWEY. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning rod guide. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Always ensure the firearm is unloaded before using the cleaning rod guide.
- Use the cleaning rod guide only for its intended purpose.
- Inspect the cleaning rod guide for any damage before each use. Do not use if damaged.
- Keep the cleaning rod guide out of reach of children and unauthorized users.
- Follow all manufacturer instructions for cleaning and maintenance of your firearm.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the cleaning rod guide is properly centered in the barrel extension before use.
- Do not force the cleaning rod through the bore; if resistance is encountered, stop and assess the situation.
- Be cautious of the large oring; ensure it is properly seated to prevent any potential leaks or issues during cleaning.
- Use only J. Dewey Cleaning Rods with this guide to ensure compatibility and safety.
- Wear safety glasses when cleaning firearms to protect your eyes from potential debris.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the cleaning rod, cleaning patches, and solvent.

2. Installation:

- Insert the front brass bushing of the cleaning rod guide into the barrel extension until it is snug against the chamber opening.
- Make sure the large oring at the back end is securely locked into the bolt opening at the rear of the receiver.

3. Usage:

- Attach the appropriate cleaning rod to the guide.
- Begin cleaning by gently pushing the cleaning rod through the bore, ensuring no excessive force is applied.
- After cleaning, remove the cleaning rod guide by gently pulling it out of the barrel extension.

4. PostUse:

- Clean the cleaning rod guide with a soft cloth to remove any residue.
- Store the cleaning rod guide in a safe place, out of reach of children.

Disposal Instructions

- Dispose of the cleaning rod guide in accordance with local regulations for plastic and metal materials.
- Do not dispose of the cleaning rod guide in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16/308 AR Cleaning Rod Guide, please contact the manufacturer or visit their official website for more information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your cleaning experience with the AR15/M16/308 AR Cleaning Rod Guide.
