

# COPPER ELIMINATOR ROD ADAPTERS - DEWEY .22/.26 CAL. BRUSH ADAPTER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Adaptors](#)

## All-Aluminum Components Eliminate "False-Positive" Copper Fouling Indications

Cleaning adapters have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Aluminum adapters convert male-threaded Dewey rods to accept 8-32 male-threaded Copper Eliminator brushes and jags.

## Attributes

- Name: [DEWEY .22/.26 CAL. BRUSH ADAPTER](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000078
- Mfr. No.: SMA
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000185

# **COPPER ELIMINATOR ROD ADAPTERS DEWEY .22/.26 CAL. BRUSH ADAPTER Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Copper Eliminator Rod Adapters by Dewey. These cleaning adapters are designed to provide a safe and effective way to clean your firearms. This safety instruction guide is designed to ensure the proper use and handling of the product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose, which is cleaning firearms.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Follow all safety instructions provided in this guide to minimize risks.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Do not use the Copper Eliminator Rod Adapters if they are damaged or show signs of wear.
- Always wear appropriate eye protection when cleaning firearms.
- Ensure that your firearm is unloaded before using the cleaning adapters.
- Do not use ammoniabased solvents with the Copper Eliminator Rod Adapters.
- Avoid using excessive force when cleaning to prevent damage to the bore or muzzle.
- Store the product in a dry place away from direct sunlight and extreme temperatures.

## **Instructions for Installation and Usage**

### **1. Installation of the Copper Eliminator Rod Adapter:**

- Ensure that the Dewey rod is clean and free from debris.
- Select the appropriate Copper Eliminator Rod Adapter based on the caliber of your firearm.
- Screw the malethreaded Copper Eliminator Rod Adapter onto the malethreaded Dewey rod until secure.
- Ensure that the connection is tight to prevent any movement during use.

### **2. Using the Copper Eliminator Rod Adapter:**

- Attach a Copper Eliminator brush or jag to the adapter.
- Gently insert the brush or jag into the bore of the firearm.
- Pull the adapter and brush/jag through the bore in a smooth, steady motion.
- Avoid using excessive force; let the brush or jag do the work.
- Repeat the cleaning process as needed, checking for copper fouling.

### **3. PostUse Care:**

- After cleaning, remove the brush or jag from the adapter.
- Clean the Copper Eliminator Rod Adapter with a soft cloth to remove any residue.
- Store the adapter in a safe, dry place.

## Disposal Instructions

- Dispose of any worn or damaged Copper Eliminator Rod Adapters in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for recycling options in your area.

## Contact Information for Further Support

For any questions or concerns regarding the Copper Eliminator Rod Adapters, please refer to the manufacturer or your local distributor for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Copper Eliminator Rod Adapters. Thank you for your attention to these guidelines, and happy cleaning!
