

# COPPER ELIMINATOR ROD ADAPTERS - DEWEY .27 CAL. & LARGER BRUSH ADAPTER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Adaptors](#)

## All-Aluminum Components Eliminate "False-Positive" Copper Fouling Indications

Cleaning adapters have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Aluminum adapters convert male-threaded Dewey rods to accept 8-32 male-threaded Copper Eliminator brushes and jags.

## Attributes

- Name: [DEWEY .27 CAL. & LARGER BRUSH ADAPTER](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000083
- Mfr. No.: LGA
- Delivery weight: 0.003kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000178

# Safety Instruction Guide for COPPER ELIMINATOR ROD ADAPTERS DEWEY .27 CAL. & LARGER BRUSH ADAPTER

## Introduction

Thank you for choosing the Copper Eliminator Rod Adapters by Dewey. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the adapters to understand the safety guidelines and proper usage instructions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean firearm bores with .27 caliber and larger brushes.
- Always inspect the adapters for any signs of damage before each use. Do not use if damaged.
- Keep the adapters out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the adapters in a wellventilated area to avoid inhaling any fumes from cleaning solvents.
- Follow all manufacturer instructions for the use of cleaning solvents and tools in conjunction with the adapters.

## Specific Safety Precautions for Use

- **Chemical Safety:** Avoid using ammoniabased solvents with brass components as they can react adversely. The Copper Eliminator adapters are designed to prevent this issue.
- **Handling:** Always handle the adapters with care to avoid dropping or damaging them. Scratches can affect their performance.
- **Compatibility:** Ensure that the adapters are compatible with your Dewey rods and brushes before use. The .22/.26 caliber adapter fits Dewey rods with 836 male threads, and the .27 Cal. & larger adapter fits Dewey rods with 1228 male threads.
- **Protective Gear:** Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling cleaning solvents and tools.
- **Supervision:** If minors are present, ensure they are supervised at all times when using the adapters.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the correct adapter for your cleaning rod based on the caliber.
- Align the malethreaded end of the Dewey rod with the adapter's female threads.
- Screw the adapter onto the rod until it is securely fastened. Do not overtighten.

### 2. Usage:

- Attach the appropriate Copper Eliminator brush or jag to the malethreaded end of the adapter.
- Apply the cleaning solvent as per the manufacturer's instructions.
- Insert the brush or jag into the bore and use a backandforth motion to clean the firearm.
- After cleaning, remove the brush or jag and clean the adapter with a suitable solvent.

### 3. PostUsage:

- Clean the adapters after each use to maintain their integrity and performance.
- Store the adapters in a dry place, away from direct sunlight and extreme temperatures.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, ensure that it is disposed of in a manner that prevents accidental use by children or pets.
- Check local guidelines for the disposal of aluminum products and cleaning solvents.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to the manufacturer or your point of purchase. Ensure you have the product details ready for efficient assistance.

Thank you for following these safety instructions. Your attention to detail in using the Copper Eliminator Rod Adapters will help ensure a safe and effective cleaning experience.
