

# COPPER ELIMINATOR RIFLE CLEANING RODS - DEWEY .22-.26 CAL. 40" ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## All-Aluminum Components Eliminate "False-Positive" Copper Fouling Indications

Cleaning rods, brushes, jags, and adapters have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Top-quality steel rods have the same tough, nylon outer coating and ball-bearing smooth rotating handle as standard Dewey rods, with an 8-32 female threaded aluminum ferrule. Each rod comes with an aluminum Copper Eliminator jag.

## Attributes

- Name: [DEWEY .22-.26 CAL. 40" ROD](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000085
- Mfr. No.: 22CA-40
- Caliber: 22 Caliber (.223-.224), 243/6 mm (.243), 25 Caliber (.251), 25 Caliber (.257), 264/6.5 mm (.264)
- Material: Aluminum
- Style: Rifle
- Delivery weight: 0.213kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 1,092mm
- UPC: 608060000369

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the Copper Eliminator Rifle Cleaning Rods by Dewey. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the cleaning rods.

### General Safety Guidelines

- Always handle cleaning rods with care to avoid injury.
- Ensure the cleaning rod is compatible with your firearm caliber before use.
- Keep cleaning rods and related accessories out of reach of children.
- Inspect the cleaning rod and accessories for damage before each use.
- Use the product only for its intended purpose as specified in this guide.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

### Specific Safety Precautions for Use

- **Hazard Identification:** Potential for scratches or damage to the bore if the cleaning rod is misused. Risk of injury if the cleaning rod is not handled properly.
- **Avoiding Hazards:** Always insert the cleaning rod gently into the bore. Do not force the rod if it encounters resistance. Ensure that the cleaning rod is fully seated before applying cleaning solutions. Use protective eyewear when using cleaning solvents to avoid splashes.
- **Age and Audience Specific Warnings:** This product is not suitable for children under 18 years of age without adult supervision. Ensure that inexperienced users are guided by knowledgeable individuals when using the product.

### Instructions for Installation and Usage

- **Installation:** Attach the aluminum Copper Eliminator jag to the cleaning rod by screwing it onto the 832 female threads securely. Ensure that the connection is tight to prevent detachment during use.
- **Usage:** Before cleaning, ensure the firearm is unloaded and pointed in a safe direction. Apply a suitable cleaning solvent to the jag or patch. Insert the cleaning rod into the bore gently, avoiding any forceful movements. Rotate the rod smoothly to effectively clean the bore. After cleaning, remove the rod carefully and inspect it for any debris. Clean the rod after each use to maintain its effectiveness and longevity.

### Disposal Instructions

- Dispose of any cleaning solvents and materials in accordance with local regulations.
- Do not dispose of cleaning rods in regular household waste. Check with local recycling programs for proper disposal methods.
- Ensure that any damaged components are disposed of safely to prevent injury.

### Contact Information for Further Support

For any safety inquiries or further assistance regarding the Copper Eliminator Rifle Cleaning Rods, please refer to the manufacturer's website or customer service information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
