

# COPPER ELIMINATOR MALE-THREAD JAGS - DEWEY .24/6MM/.25 CAL. 8-32 THREAD MALE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## All-Aluminum Components Eliminate "False-Positive" Copper Fouling Indications

Cleaning jags have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Pure aluminum jags are specifically designed for use on Copper Eliminator rods to maintain the full integrity of the CE system. They can also be used on other rods with the same female thread patterns.

## Attributes

- Name: [DEWEY .24/6MM/.25 CAL. 8-32 THREAD MALE JAG](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000093
- Mfr. No.: 24JMA
- Caliber: 243 Caliber, 25 Caliber, 6mm
- Style: -
- Delivery weight: 0.003kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000260

# Safety Instruction Guide for COPPER ELIMINATOR MALETHREAD JAGS

## Introduction

Thank you for choosing the COPPER ELIMINATOR MALETHREAD JAGS by DEWEY. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the jags to enhance your cleaning experience while minimizing any potential risks.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the jags by following the instructions outlined in this guide.
- **Enhanced Recalls:** Stay informed about any product recalls. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach to avoid any accidents.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact details provided with the product.
- **Rapid Alerts:** Be aware of any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- Always inspect the jags for any signs of damage before use.
- Do not use the jags with solvents that are not recommended, as they may cause damage to the aluminum components.
- Ensure that the jags are compatible with your cleaning rods, specifically those with 832 thread patterns.
- Avoid using excessive force while cleaning to prevent scratching or damaging the bore or muzzle.
- Store the jags in a cool, dry place away from direct sunlight and moisture to maintain their integrity.

## Instructions for Installation and Usage

1. **Compatibility Check:** Ensure that your cleaning rod has an 832 thread pattern before attaching the jag.
2. **Attachment:**
  - Align the jag with the threaded end of the cleaning rod.
  - Turn the jag clockwise until it is securely attached.
3. **Cleaning Process:**
  - Use the jag with a cleaning patch soaked in an appropriate solvent.
  - Insert the cleaning rod with the attached jag into the bore gently.
  - Pull the rod back and forth to effectively clean the bore.
  - After use, remove the jag from the rod by turning it counterclockwise.
4. **PostCleaning Care:**
  - Clean the jag with a cloth to remove any residue.
  - Store the jag in its designated case or a safe location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the jags in regular household waste if they are damaged or contaminated with hazardous materials.
- For proper disposal guidance, contact your local waste management authority.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the COPPER ELIMINATOR MALETHREAD JAGS, please refer to the contact information provided by the retailer or manufacturer.

Thank you for prioritizing safety and following the guidelines outlined in this instruction manual. Enjoy using your COPPER ELIMINATOR MALETHREAD JAGS responsibly and effectively!
