

# COPPER ELIMINATOR FEMALE-THREAD JAGS - DEWEY .24/6MM/.25 CAL. 8-36 THREAD FEMALE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## All-Aluminum Components Eliminate "False-Positive Copper Fouling Indications

Cleaning jags have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Female-threaded aluminum jags fit standard Dewey nylon-coated rods to extend some of the Copper Eliminator system's benefits to your existing rod.

## Attributes

- Name: [DEWEY .24/6MM/.25 CAL. 8-36 THREAD FEMALE JAG](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000097
- Mfr. No.: 24JA
- Caliber: 243 Caliber, 25 Caliber, 6mm
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000215

# Safety Instruction Guide for COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY

## Introduction

Thank you for choosing the COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY. This product is designed for cleaning firearms effectively while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and responsibly.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning jag.
- Keep the cleaning jag out of reach of children and vulnerable individuals.
- Inspect the cleaning jag for any damage before each use. Do not use if damaged.
- Use the cleaning jag only as intended, following the manufacturer's guidelines.
- Store the cleaning jag in a safe place, away from moisture and extreme temperatures.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Avoid Reaction with Solvents:** The cleaning jag is made from machined aluminum, which does not react with ammoniabased solvents. However, do not mix different cleaning agents as this may cause harmful reactions.
- **Prevent Bore Damage:** Ensure that the cleaning jag fits properly with your cleaning rod to avoid scratching the bore or damaging the muzzle.
- **Monitor for Stains:** Be aware that bluegreen stains on patches can indicate copper fouling. Use the cleaning jag to confirm when the bore is copperfree.
- **Use Properly Threaded Rods:** Ensure compatibility with standard Dewey nyloncoated rods to maximize the benefits of the Copper Eliminator system.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe location.
- Gather all necessary cleaning supplies, including the Dewey nyloncoated rod and the Copper Eliminator jag.

### 2. Installation:

- Thread the femaleend of the Copper Eliminator jag onto the malethreaded Dewey cleaning rod.
- Tighten securely to ensure a stable connection.

### 3. Usage:

- Apply your chosen cleaning solvent to the cleaning patch.
- Insert the patch onto the jag, ensuring it is securely attached.
- Insert the cleaning jag into the bore of the firearm gently.
- Pull the rod back and forth in the bore to clean effectively.
- Remove the jag and inspect the patch for any copper fouling indicators.

### 4. PostCleaning:

- After use, clean the jag with a suitable solvent and dry it thoroughly.
- Store the jag in a safe, dry place.

## **Disposal Instructions**

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not dispose of the cleaning jag in regular household waste if it is damaged. Follow local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY, please consult the product packaging for the manufacturer's contact information or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure a safe and effective cleaning experience with your COPPER ELIMINATOR FEMALETHREAD JAGS DEWEY. Thank you for prioritizing safety while maintaining your firearm.
