

COPPER ELIMINATOR FEMALE-THREAD JAGS - DEWEY

6.5MM/7MM/.280/.284 8-36 THREAD FEMALE JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

All-Aluminum Components Eliminate "False-Positive Copper Fouling Indications"

Cleaning jags have machined aluminum components that don't react with ammonia-based solvents like brass parts sometimes do. Won't produce blue-green stains on your patches that can be misinterpreted as "false positive" indications of copper fouling, so you'll know when your bore really is copper-free. Similar in hardness to brass, Copper Eliminator parts won't scratch the bore or damage the muzzle, and they'll stand up to hard use. Female-threaded aluminum jags fit standard Dewey nylon-coated rods to extend some of the Copper Eliminator system's benefits to your existing rod.

Attributes

- Name: [DEWEY 6.5MM/7MM/.280/.284 8-36 THREAD FEMALE JAG](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234000098
- Mfr. No.: 6.5JA
- Caliber: 264 Caliber, 284 Caliber, 6.5mm, 7mm
- Delivery weight: 0.005kg
- Shipping width: 57mm
- Shipping length: 89mm
- UPC: 608060000208

COPPER ELIMINATOR FEMALETHREAD JAGS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Copper Eliminator FemaleThread Jags by Dewey. This guide provides essential safety instructions and usage information to ensure a safe and effective cleaning experience. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to avoid any potential hazards.
- Always inspect the jags for any signs of damage or wear before use. Do not use damaged or worn components.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injuries.
- Use the product in a wellventilated area to avoid inhalation of fumes from cleaning solvents.
- Store the product in a dry place away from direct sunlight and extreme temperatures.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling cleaning solvents.
- Avoid contact between the jags and ammoniabased solvents to prevent chemical reactions.
- Do not force the jags into the bore; ensure they fit properly to avoid damage to the firearm.
- Use only compatible Dewey nyloncoated rods with the femalethreaded jags to ensure safe and effective operation.
- Follow the manufacturer's recommendations for cleaning solvents to avoid adverse reactions.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Copper Eliminator jags, Dewey rods, and cleaning solvents.

2. Installation:

- Take the femalethreaded Copper Eliminator jag and align it with the malethreaded end of the Dewey rod.
- Gently screw the jag onto the rod until it is securely attached. Do not overtighten.

3. Usage:

- Apply the appropriate cleaning solvent to the jag or directly into the bore as per the solvent instructions.
- Insert the jag into the bore and move it back and forth gently to clean the interior surface.
- Use a clean patch to wipe the bore and check for copper fouling. Repeat as necessary until the bore is clean.

4. PostUsage:

- After cleaning, remove the jag from the rod and clean it with a suitable solvent.
- Store the jags and rods in a safe, dry place.

Disposal Instructions

- Dispose of any used cleaning patches, solvents, and materials in accordance with local regulations.
- Do not dispose of the Copper Eliminator jags in regular household waste. Check for local recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Copper Eliminator FemaleThread Jags, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your cleaning experience with the Copper Eliminator FemaleThread Jags by Dewey!
