

ADJUSTABLE ROD GUIDES - DEWEY 13" ROD GUIDE, .338

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

Safety Instruction Guide for ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE, .338

Introduction

Thank you for choosing the ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE, .338. This product is designed to enhance your cleaning process while ensuring the safety of your rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on recalls and safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use may lead to damage to the rifle or injury.
- Inhalation or contact with bore solvent can be harmful.

- **To Avoid Hazards:**

- Always wear protective gloves when handling bore solvent.
- Ensure the rifle is unloaded before using the rod guide.
- Do not exceed the recommended length of cleaning rod.
- Use only cleaning rods that are compatible with the rod guide.

- **AgeSpecific Warnings:**

- This product is not suitable for individuals under the age of 18 unless supervised by an adult.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the rifle is unloaded and pointed in a safe direction.
2. Remove the bolt from the rifle.
3. Insert the rod guide into the chamber.
4. Secure the guide in place using the aluminum collar and the brass adjustment pin.

- **Usage:**

- For the 10" Rod Guide: Use a cleaning rod that is 10" longer than the barrel length. This guide provides hand clearance under the eyepiece for short and medium length scopes.
- For the 13" Rod Guide: Use a cleaning rod that is 13" longer than the barrel length. This guide offers additional clearance for long varmint and target scopes.

- **Cleaning and Maintenance:**

- After use, clean the rod guide with a soft cloth.
- Inspect Orings for wear and replace if necessary.
- Use the Oring assembly tool to install new Orings.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum and brass components when possible.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EU contact point or the manufacturer's website for assistance.

By following these guidelines, you can ensure the safe and effective use of your ADJUSTABLE ROD GUIDES DEWEY 13" ROD GUIDE, .338. Thank you for prioritizing safety in your cleaning practices.
