

AR-15/M16/ 308 AR CLEANING ROD GUIDE - DEWEY ROD GUIDE, AR-STYLE .308

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Keeps Solvent Out Of The Action

The combination of limited chamber space and the large tube inside diameter needed for brush clearance eliminates the possibility of any type of chamber sealing o-ring. We have incorporated a front brass bushing, which centers the guide in the barrel extension and butts up against the chamber opening. The large o-ring on the back end locks into the bolt opening at the rear of the receiver to reduce longitudinal movement of the guide during the cleaning process. Made from Delrin, Brass, and Anodized Aluminum For use with any J. Dewey Cleaning Rods

AR15/M16/.308 AR Cleaning Rod Guide Safety Instructions

Introduction

Thank you for choosing the AR15/M16/.308 AR Cleaning Rod Guide by Dewey. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure safe handling of the cleaning rod guide to prevent injury or damage.
- Always use the product in accordance with the manufacturer's instructions.
- Inspect the cleaning rod guide for any damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Chamber Safety:** Ensure the firearm is unloaded before using the cleaning rod guide. Always check the chamber and magazine.
- **ORing Integrity:** Inspect the Orings for wear or damage. Replace if necessary to maintain a secure fit.
- **Proper Usage:** Avoid excessive force when inserting or removing the cleaning rod guide to prevent damage to the firearm or the guide.
- **Cleaning Rod Compatibility:** Use only J. Dewey Cleaning Rods with this guide to ensure proper fit and function.
- **Environmental Considerations:** Avoid using the cleaning rod guide in wet or damp conditions to prevent slipping or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Insert the front brass bushing of the cleaning rod guide into the barrel extension.
- Push the guide until it butts up against the chamber opening.
- Ensure that the large Oring locks securely into the bolt opening at the rear of the receiver.

2. Usage:

- Use the cleaning rod guide to insert the cleaning rod into the barrel for cleaning.
- Move the cleaning rod slowly and steadily to avoid damaging the bore.
- After cleaning, carefully remove the cleaning rod guide by pulling it straight out of the barrel extension.

3. PostUse:

- Inspect the cleaning rod guide and cleaning rod for any signs of wear or damage after use.
- Clean the guide with a soft cloth to remove any residue.
- Store the cleaning rod guide in a dry place away from direct sunlight.

Disposal Instructions

- Dispose of the cleaning rod guide responsibly at a local recycling center or according to local regulations.
- Do not dispose of the product in regular household waste.
- Ensure that any damaged components are disposed of safely to prevent injury.

Contact Information for Further Support
