

# AR-15/M16/ 308 AR CLEANING ROD GUIDE - DEWEY ROD GUIDE, AR-300 AAC BLACKOUT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Keeps Solvent Out Of The Action

The combination of limited chamber space and the large tube inside diameter needed for brush clearance eliminates the possibility of any type of chamber sealing o-ring. We have incorporated a front brass bushing, which centers the guide in the barrel extension and butts up against the chamber opening. The large o-ring on the back end locks into the bolt opening at the rear of the receiver to reduce longitudinal movement of the guide during the cleaning process. Made from Delrin, Brass, and Anodized Aluminum For use with any J. Dewey Cleaning Rods

## Attributes

- Name: [DEWEY ROD GUIDE, AR-300 AAC BLACKOUT](#)
- Manufacturer: [DEWEY](#)

# AR15/M16/308 AR Cleaning Rod Guide Safety Instructions

## Introduction

Thank you for choosing the AR15/M16/308 AR Cleaning Rod Guide by DEWEY. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the cleaning rod guide.

## General Safety Guidelines

- Ensure that the cleaning rod guide is used only with compatible J. Dewey cleaning rods.
- Always inspect the cleaning rod guide for any damage before use. Do not use if damaged.
- Keep the cleaning rod guide out of reach of children and vulnerable individuals.
- Follow local laws and regulations regarding firearm maintenance and cleaning.
- Use the cleaning rod guide in a wellventilated area to avoid inhaling any cleaning agents.
- Avoid using excessive force when inserting or removing the cleaning rod to prevent damage to the firearm or the guide.

## Specific Safety Precautions for Use

- **Chamber Safety:** Always ensure that the firearm is unloaded before using the cleaning rod guide. Check the chamber and magazine to confirm.
- **ORing Handling:** The large Oring on the back end is designed to lock into the bolt opening. Ensure that it is properly seated to prevent any movement during cleaning.
- **Brass Bushing:** The front brass bushing centers the guide in the barrel extension. Ensure it is aligned correctly to avoid misalignment that could damage the firearm.
- **Cleaning Rod Usage:** Use only J. Dewey cleaning rods with the guide. Other rods may not fit properly and could cause damage.
- **Personal Protective Equipment:** When cleaning firearms, consider wearing gloves and safety goggles to protect against cleaning agents and debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the J. Dewey cleaning rod, cleaning patches, and solvent.

### 2. Installation:

- Insert the front brass bushing of the cleaning rod guide into the barrel extension.
- Align the guide so that it fits snugly against the chamber opening.
- Ensure that the large Oring on the back end is properly seated in the bolt opening of the receiver.

### 3. Usage:

- Insert the J. Dewey cleaning rod through the cleaning rod guide.
- Gently push the cleaning rod through the barrel while applying solvent or cleaning solution as needed.
- Avoid excessive force; let the cleaning solution do the work.
- After cleaning, carefully remove the cleaning rod and guide from the firearm.

#### 4. **PostUse:**

- Clean the cleaning rod guide with a soft cloth to remove any residue.
- Store the cleaning rod guide in a safe and dry place.

## **Disposal Instructions**

- Dispose of any cleaning agents and materials according to local regulations.
- The cleaning rod guide itself can be disposed of with regular household waste if it is no longer usable. Ensure it is cleaned of any contaminants before disposal.

## **Contact Information for Further Support**

For any inquiries regarding the AR15/M16/308 AR Cleaning Rod Guide, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website. Always ensure you have the latest safety updates and product information.

Thank you for following these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your AR15/M16/308 AR Cleaning Rod Guide responsibly.
