

# ADJUSTABLE ROD GUIDES - DEWEY 10" ROD GUIDE, .17-.22 CF

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

# Safety Instruction Guide for ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE

## Introduction

Thank you for choosing the Adjustable Rod Guides Dewey 10" Rod Guide. This product is designed to help you clean your rifle safely and effectively while protecting the chamber from damage. Please read this safety instruction guide carefully to ensure safe usage and maintenance.

## General Safety Guidelines

- Ensure that the product is used only as intended for cleaning boltaction rifles.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for use and maintenance.
- Inspect the rod guide and cleaning rod for any signs of damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the rod guide only with cleaning rods that are at least 10" longer than the barrel length for the 10" Rod Guide and 13" longer for the 13" Rod Guide.
- Ensure the Oring is properly sealed before use to prevent solvent leaks.
- Avoid using excessive force when adjusting the brass adjustment pin to prevent damage.
- Do not use the rod guide if it appears damaged or worn.
- Always clean your rifle in a wellventilated area to avoid inhaling fumes from bore solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the appropriate cleaning rod and bore solvent.

### 2. Installation:

- Select the appropriate Rod Guide (10" or 13") based on your rifle's barrel length.
- Insert the rod guide into the rifle chamber until it is seated firmly.
- Check that the rubber Oring is properly positioned to create a seal.

### 3. Usage:

- Attach the cleaning rod to the rod guide.
- Apply bore solvent to the cleaning patch or brush as needed.
- Carefully push the cleaning rod through the barrel, ensuring it moves smoothly and without obstruction.
- After cleaning, remove the rod guide and clean any residue from the chamber area.

### 4. PostUse:

- Inspect the rod guide and cleaning rod for any signs of wear or damage.
- Store the rod guide in a safe and dry location.

## **Disposal Instructions**

- Dispose of any damaged or worn parts of the rod guide in accordance with local regulations.
- Do not dispose of cleaning solvents or other chemicals in regular household waste. Follow local disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any inquiries related to product safety or usage, please refer to the manufacturer's contact details provided with the product packaging. You can also check for recall updates on the EU's Safety Gate platform.

By following these safety instructions, you will help ensure a safe and effective cleaning process for your rifle. Thank you for your attention and safe handling.
