

ADJUSTABLE ROD GUIDES - DEWEY 10" ROD GUIDE, .30

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE

Safety Instructions

Introduction

Thank you for choosing the ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE. This product is designed to protect your rifle chamber during cleaning while ensuring a safe and efficient cleaning process. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always handle firearms and cleaning equipment with care and in accordance with applicable local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use. Do not use if damaged.
- Follow all manufacturer instructions for use and maintenance to ensure safety and effectiveness.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the rod guide.
- Use the cleaning rod that is 10" or 13" longer than the barrel length as specified to ensure proper fit and function.
- Check that the rubber Oring is properly seated to prevent bore solvent contamination.
- Avoid using excessive force when adjusting the brass adjustment pin to prevent damage.
- Always clean in a wellventilated area and avoid inhaling cleaning solvents.
- Dispose of any used cleaning materials in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the appropriate cleaning rod.

2. Installation:

- Remove the bolt from the rifle according to the manufacturer's instructions.
- Insert the adjustable rod guide into the rifle chamber, ensuring that it fits snugly.
- Adjust the brass adjustment pin to secure the rod guide in place for the desired action length.

3. Usage:

- Attach the cleaning rod to the rod guide.
- Begin the cleaning process, ensuring that the cleaning rod is aligned properly with the bore.
- Frequently check the Oring and rod guide for any signs of wear or contamination.

4. Completion:

- Once cleaning is complete, carefully remove the cleaning rod and rod guide from the rifle.
- Clean the rod guide and store it in a safe, dry place.

Disposal Instructions

- Dispose of any used cleaning materials, such as patches and solvents, in accordance with local waste disposal regulations.
- If the rod guide or any components become damaged beyond repair, dispose of them responsibly, ensuring they do not pose a hazard to the environment.

Contact Information for Further Support

For any inquiries or concerns regarding the ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE, please refer to the manufacturer's contact details provided with the product packaging.

Please keep this safety instruction guide for future reference. Thank you for ensuring a safe and effective cleaning process with your ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE.
