

# ADJUSTABLE ROD GUIDES - DEWEY 10" ROD GUIDE, .338

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

# ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE

## Safety Instruction Guide

### Introduction

Thank you for purchasing the ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE. This product is designed to enhance your cleaning experience while ensuring the safety of your rifle. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to replace the bolt and protect the rifle chamber during cleaning.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and tear, especially the Orings and adjustment pin.
- If any part of the product appears damaged, discontinue use immediately and replace it.
- Always follow local laws and regulations regarding firearm maintenance and cleaning.

### Specific Safety Precautions for Use

- Before using the rod guide, ensure that the firearm is unloaded and pointed in a safe direction.
- Use only cleaning rods that are 10" or 13" longer than the barrel length of your rifle, as specified in the product description.
- Make sure the rubber Oring is properly seated to prevent solvent leakage and contamination.
- Avoid using excessive force when adjusting the brass adjustment pin to prevent damage.
- Do not attempt to disassemble the rod guide beyond what is necessary for cleaning and maintenance.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather your cleaning supplies, including a cleaning rod that is appropriate for your rifle's barrel length.

#### 2. Installation:

- Remove the bolt from the rifle.
- Insert the ADJUSTABLE ROD GUIDE into the chamber, ensuring that the rubber Oring seals the bore.
- Adjust the brass adjustment pin to fit snugly against the action of the rifle.

#### 3. Cleaning:

- Attach the cleaning rod to the ADJUSTABLE ROD GUIDE.
- Proceed with cleaning the rifle as per your usual cleaning routine.
- After cleaning, remove the cleaning rod and the rod guide from the rifle.

#### 4. PostUse:

- Inspect the Oring and adjustment pin for any signs of wear or damage.
- Store the rod guide in a safe and dry place.

## **Disposal Instructions**

- Dispose of any worn or damaged parts in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum and brass components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE, please refer to the manufacturer's website or contact your local retailer for support.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your ADJUSTABLE ROD GUIDES DEWEY 10" ROD GUIDE. Thank you for using this product responsibly.
