

AR-15/M16/ 308 AR CLEANING ROD GUIDE - DEWEY ROD GUIDE, AR-15/M16 .223/5.56

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Keeps Solvent Out Of The Action

The combination of limited chamber space and the large tube inside diameter needed for brush clearance eliminates the possibility of any type of chamber sealing o-ring. We have incorporated a front brass bushing, which centers the guide in the barrel extension and butts up against the chamber opening. The large o-ring on the back end locks into the bolt opening at the rear of the receiver to reduce longitudinal movement of the guide during the cleaning process. Made from Delrin, Brass, and Anodized Aluminum For use with any J. Dewey Cleaning Rods

Attributes

- Name: [DEWEY ROD GUIDE, AR-15/M16 .223/5.56](#)
- Manufacturer: [DEWEY](#)
- Product no.: 234015000

AR15/M16/.308 AR Cleaning Rod Guide Safety Instructions

Introduction

Thank you for choosing the AR15/M16/.308 AR Cleaning Rod Guide by DEWEY. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this manual carefully before using the cleaning rod guide.

General Safety Guidelines

- Ensure that you are using the cleaning rod guide in a wellventilated area.
- Keep the cleaning rod guide out of reach of children and vulnerable individuals.
- Always inspect the cleaning rod guide for damage before use. Do not use if damaged.
- Follow all firearm safety guidelines while cleaning your weapon.
- Be aware of your surroundings and ensure that the firearm is in a safe condition before cleaning.

Specific Safety Precautions for Use

- Use the cleaning rod guide only with J. Dewey Cleaning Rods.
- Do not force the cleaning rod guide into the barrel. Ensure proper alignment.
- Avoid using excessive force during cleaning to prevent damage to the firearm or cleaning rod guide.
- Always wear safety glasses to protect your eyes from debris during the cleaning process.
- Do not use the cleaning rod guide for any purpose other than intended firearm cleaning.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, cleaning patches, and solvent.

2. Installation of the Cleaning Rod Guide

- Insert the front brass bushing of the cleaning rod guide into the barrel extension of the firearm.
- Ensure that the guide is centered and butts up against the chamber opening.

3. Using the Cleaning Rod Guide

- Insert the cleaning rod through the rear of the guide, ensuring it is aligned correctly.
- Begin cleaning by pushing the cleaning rod through the barrel gently.
- Use a backandforth motion with the cleaning rod to effectively clean the barrel.
- Periodically remove the cleaning rod and inspect for fouling and debris.

4. PostCleaning

- Once cleaning is complete, carefully remove the cleaning rod guide from the barrel.
- Clean and store the cleaning rod guide and other cleaning supplies properly.

Disposal Instructions

- Dispose of any damaged or worn cleaning rod guides in accordance with local regulations.
- Do not dispose of the cleaning rod guide in regular household waste if it contains hazardous materials.

- Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support related to the AR15/M16/.308 AR Cleaning Rod Guide, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your firearm. Thank you for your attention to safety.
