SMALL CALIBER RODS DEWEY 36" SMALL CALIBER ROD Safety Instruction Guide

Introduction

Thank you for choosing the SMALL CALIBER RODS DEWEY 36" SMALL CALIBER ROD. This product is designed for the maintenance and cleaning of .17 and .20 caliber handguns and rifles, including airguns. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the cleaning rod in accordance with the manufacturer's instructions.
- Ensure the firearm is unloaded and pointed in a safe direction before use.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Regularly inspect the cleaning rod for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- When using the cleaning rod, ensure that you are in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.
- Use appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling cleaning products.
- Do not use the cleaning rod with excessive force, as this may damage the firearm or the rod itself.
- Avoid using the cleaning rod with brushes or jags that are not compatible with the 540 female thread.
- Do not leave the cleaning rod unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and safe to handle.
- Gather all necessary cleaning supplies, including the SMALL CALIBER RODS DEWEY cleaning rod, brushes, jags, and cleaning solvents.

2. Attaching the Brush or Jag:

- Select the appropriate brush or jag compatible with the 540 female thread.
- Screw the brush or jag onto the end of the cleaning rod until secure.

3. Cleaning Process:

- Insert the cleaning rod into the firearm's barrel gently.
- Use a backandforth motion to clean the barrel with the attached brush or jag.
- Follow the manufacturer's instructions for the specific cleaning solvent being used.

4. PostCleaning:

- Remove the cleaning rod from the barrel and detach the brush or jag.
- Clean the rod with a suitable solvent and store it in a safe location.

Disposal Instructions

- Dispose of any cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste. Instead, check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the EUbased contact point provided by the manufacturer. Ensure that you have the product details handy for a more efficient response.

By following these safety instructions, you will help ensure the safe and effective use of the SMALL CALIBER RODS DEWEY 36" SMALL CALIBER ROD. Thank you for your attention to safety and responsible firearm maintenance.
