

# COATED RODS - DEWEY 17 CALIBER 11" 5-40F COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

## Attributes

# Safety Instruction Guide for COATED RODS

## DEWEY 17 CALIBER 11" 540F COATED ROD

### Introduction

Thank you for choosing the COATED RODS DEWEY 17 CALIBER 11" 540F COATED ROD. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before use to understand the potential risks and how to mitigate them.

### General Safety Guidelines

- Always handle the rod with care to avoid injury.
- Ensure that the rod is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rod for any signs of wear or damage before use.
- Do not use the rod if it shows any signs of damage or degradation.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

### Specific Safety Precautions for Use

- Use only the recommended brushes and accessories compatible with the COATED RODS DEWEY 17 CALIBER.
- Avoid using excessive force when cleaning to prevent damage to the rod or the firearm.
- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use a bore guide to protect the muzzle and breech area during cleaning.
- Do not attempt to modify the rod or its components.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that you have all necessary accessories, including the adapter for standard 832 male thread brushes and the Dewey Jag.
- Verify that the firearm is completely unloaded.

#### 2. Attaching the Adapter:

- If using brushes or accessories that require the adapter, attach it securely to the rod's male thread.

#### 3. Using the Rod:

- Insert the rod into the bore of the firearm gently.
- Use a smooth turning motion with the ball bearing handle to clean the bore.
- For the Dewey Jag, ensure the patch is either wrapped around or placed over the end before attaching it to the rod.

#### 4. PostUse Care:

- After cleaning, remove the rod and any attached accessories from the firearm.
- Clean the rod and accessories according to the manufacturer's instructions to maintain their integrity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in regular household waste if it shows signs of hazardous materials.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the COATED RODS DEWEY 17 CALIBER 11" 540F COATED ROD, please refer to the manufacturer's website or customer support services.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the COATED RODS DEWEY 17 CALIBER 11" 540F COATED ROD. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these guidelines.
