

# COATED RODS - DEWEY 17 CALIBER 36" 5-40F COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

## Attributes

## COATED ROD Safety Instruction Guide

### Introduction

Thank you for choosing the COATED RODS DEWEY 17 CALIBER 36" 540F COATED ROD. This product is designed for cleaning firearms safely and effectively. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this document.

### General Safety Guidelines

- Always handle the cleaning rod with care to avoid injury.
- Keep the cleaning rod out of reach of children and pets.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Use the cleaning rod only for its intended purpose.
- Follow all local laws and regulations regarding the use and cleaning of firearms.

### Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning rod.
- Use the appropriate adapter for brushes and accessories to prevent damage to the firearm and cleaning rod.
- Avoid using excessive force while cleaning to prevent damage to both the firearm and the cleaning rod.
- Do not use the cleaning rod if it is damaged or if any components are missing.
- Always wear protective eyewear when cleaning firearms to protect against debris.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the COATED RODS DEWEY cleaning rod, brushes, patches, and cleaning solution.

#### 2. Assembly:

- Attach the appropriate brush or accessory to the cleaning rod using the supplied adapter for standard 832 male thread brushes (except for .17 and .20 caliber rods which are 540 female).
- Ensure that the connection is secure to prevent disconnection during use.

#### 3. Cleaning Process:

- Insert the cleaning rod into the muzzle or breech of the firearm, depending on the cleaning method being used.
- Gently push the rod through the barrel, applying cleaning solution as needed.
- Use a backandforth motion to effectively clean the rifling without scratching it.
- Remove the rod and brush from the barrel after cleaning.
- Dispose of used patches and cleaning materials responsibly.

#### 4. PostCleaning:

- Inspect the cleaning rod for any signs of wear or damage after use.
- Clean the rod with a suitable cleaning solution and store it in a safe, dry place.

## Disposal Instructions

- Dispose of any cleaning materials, such as patches and brushes, in accordance with local waste disposal regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in an environmentally responsible manner.

## Contact Information for Further Support

For any inquiries or concerns regarding the COATED RODS DEWEY 17 CALIBER 36" 540F COATED ROD, please reach out to the manufacturer or your point of purchase for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your firearm. Always prioritize safety and responsible handling of all cleaning equipment. Thank you for your attention to these important safety measures.
