

COATED RODS - DEWEY 22-26 CALIBER 17" 8-36M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

COATED RODS DEWEY 2226 CALIBER 17" 836M

COATED ROD Safety Instructions

Introduction

Thank you for choosing the COATED RODS DEWEY 2226 CALIBER 17" 836M COATED ROD. This product is designed for safe and effective cleaning of firearms. Please read this safety instruction guide carefully to ensure proper use and to avoid any hazards associated with the product.

General Safety Guidelines

- Always handle cleaning rods with care to prevent injury.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use the cleaning rod only for its intended purpose – cleaning firearms.
- Do not use excessive force when inserting or removing the cleaning rod to avoid damaging the firearm's barrel.
- Ensure that the nylon coating is intact to prevent scratching the firearm's rifling.
- Use the appropriate adapter for brushes and accessories to ensure a secure fit.
- Avoid using the cleaning rod in wet or damp conditions to prevent corrosion and damage.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is safely stored and unloaded.
- Gather all necessary cleaning supplies, including the COATED ROD, brushes, patches, and cleaning solvent.

2. Installation of Adapter

- Attach the adapter to the cleaning rod by screwing it onto the male thread securely. Ensure it is tightened but do not overtighten.

3. Using the Cleaning Rod

- Insert the cleaning rod into the barrel from the breech or muzzle end, depending on the firearm design.
- Use a smooth and steady motion to avoid damaging the rifling.
- If using a patch, you can wrap it around the Dewey Jag or place it over the end before attaching it to the rod.
- After use, carefully remove the cleaning rod from the barrel.

4. PostCleaning Care

- Clean the rod after each use to remove any residue.
- Store the cleaning rod in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged cleaning rods or accessories in accordance with local waste disposal regulations.
- Do not throw away in regular household waste. Check for recycling options if available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the COATED RODS DEWEY 2226 CALIBER 17" 836M COATED ROD, please refer to the contact information provided with your product packaging or visit the manufacturer's website for support.

By following these guidelines and instructions, you ensure a safe and effective cleaning experience with your COATED RODS DEWEY cleaning rod. Thank you for your attention to safety!
