

# COATED RODS - DEWEY 22-26 CALIBER 44" 8-36M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

## COATED ROD Safety Instruction Guide

### Introduction

Thank you for choosing the COATED RODS DEWEY 2226 CALIBER 44" 836M COATED ROD. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning rod. Please read this guide carefully before use to understand the precautions and instructions necessary for your safety and the safety of others.

### General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose: cleaning firearms.
- Always inspect the cleaning rod for any signs of damage or wear before each use.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Use protective eyewear when cleaning firearms to prevent injury from potential debris.
- Report any unsafe conditions or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- **Hazard Identification:**

- The nylon coating is designed to protect the barrel but may wear over time. Regularly check for signs of wear.
- The cleaning rod should not be used with excessive force, which may damage both the rod and the firearm.

- **Avoiding Hazards:**

- Always use the appropriate caliber cleaning rod for your firearm to prevent damage.
- Use the supplied adapter for standard 832 male thread brushes and accessories only.
- Avoid using the cleaning rod with .17 and .20 caliber brushes, as they require different threading.

- **AgeSpecific Warnings:**

- This product is not intended for use by children without adult supervision.
- Ensure that any adult using the cleaning rod is familiar with firearm safety and cleaning procedures.

### Instructions for Installation and Usage

- **Installation:**

- Attach the cleaning brush or accessory to the cleaning rod using the provided adapter. Ensure a secure fit.

- **Usage:**

- Insert the cleaning rod into the firearm's barrel from the breech (if applicable) or muzzle end.
- Gently push the rod through the barrel while rotating it to effectively clean the rifling.
- Avoid excessive force; if you encounter resistance, withdraw the rod and check for obstructions.
- After cleaning, remove the brush or accessory and clean the rod to maintain its condition.

- **Recommended Practices:**

- Use a bore guide to protect the firearm's chamber and muzzle during cleaning.
- Store the cleaning rod in a dry place to prevent corrosion or damage to the nylon coating.

## **Disposal Instructions**

- Dispose of the cleaning rod responsibly according to local regulations.
- If the cleaning rod is damaged beyond safe use, recycle it if possible. Check with local recycling facilities for guidance.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the contact information provided by the manufacturer or retailer. They will be able to assist you with any questions or issues you may encounter.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is our priority. Enjoy using your COATED RODS DEWEY cleaning rod responsibly.
