

COATED RODS - DEWEY 27-34 CALIBER 24" 12-28M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

Safety Instruction Guide for COATED RODS

DEWEY 2734 CALIBER 24" 1228M COATED ROD

Introduction

Thank you for choosing the COATED RODS DEWEY 2734 CALIBER 24" 1228M COATED ROD. This guide provides essential safety instructions and usage information to ensure your safety and the longevity of the product. Adhering to these guidelines will help prevent accidents and ensure a positive user experience.

General Safety Guidelines

- Always handle the coated rod with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the rod regularly for signs of wear or damage before use.
- Ensure that the rod is compatible with the cleaning accessories you intend to use.
- Follow local regulations and safety practices when cleaning firearms.

Specific Safety Precautions for Use

- Do not use the rod on firearms that are loaded or have ammunition in the chamber.
- Always point the firearm in a safe direction while cleaning.
- Use the recommended adapters and accessories to avoid accidents.
- Avoid excessive force when using the rod to prevent damage to the firearm or the rod itself.
- If you experience resistance while using the rod, stop immediately and check for obstructions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the COATED ROD, brushes, and patches.

2. Attaching the Adapter:

- Select the appropriate adapter for your cleaning brush or accessory.
- Screw the adapter onto the male thread of the coated rod until secure.

3. Using the Rod:

- Insert the coated rod into the barrel of the firearm from the breech or muzzle end, depending on the firearm type.
- Attach the cleaning brush or accessory to the end of the rod.
- Gently push and pull the rod through the barrel to clean, avoiding excessive force.

4. Removing the Rod:

- After cleaning, carefully remove the rod from the barrel.
- Detach the brush or accessory from the rod.

5. Storage:

- Store the coated rod in a clean, dry place away from direct sunlight.
- Ensure that the rod is not exposed to moisture to prevent damage to the nylon coating.

Disposal Instructions

- Dispose of any damaged or wornout cleaning rods and accessories in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check local guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please refer to the relevant local authorities or the manufacturer's customer support. Always ensure you have the latest information regarding product safety and recalls.

By following these guidelines, you can ensure safe and effective use of the COATED RODS DEWEY 2734 CALIBER 24" 1228M COATED ROD. Thank you for your attention to safety.
