

# COATED RODS - DEWEY 27-34 CALIBER 44" 12-28M COATED ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## Tough Nylon Can't Scratch Your Rifling

The tough nylon coating on these rods absolutely won't scratch the delicate rifling of the finest match barrel and won't peel off like many vinyl coatings do. Smooth turning, ball bearing handle. Supplied with Adapter for standard 8-32 male thread brushes and accessories (Except .17 and 20 caliber rods; they are 5-40 female). Plus, an extra-long Dewey Jag that takes a patch either wrapped-around, or over-the-end, and fits directly onto the rod's male thread. 17C and 20C series rods do not include brush adapter. Use of breech or muzzle bore guide is recommended.

# Safety Instruction Guide for COATED RODS

## DEWEY 2734 CALIBER 44" 1228M COATED ROD

### Introduction

Thank you for choosing the COATED RODS DEWEY 2734 CALIBER 44" 1228M COATED ROD. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read the following information carefully to minimize risks and ensure optimal performance.

### General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Inspect the rod before each use for any signs of damage or wear.
- Store the rod in a safe, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any accidents or injuries, report them to the relevant authorities immediately.
- Regularly check the EU's Safety Gate platform for updates on product recalls and safety information.

### Specific Safety Precautions for Use

- Ensure that the rod is compatible with your firearm's caliber.
- Use the rod only for its intended purpose of cleaning and maintaining firearms.
- Avoid using excessive force when cleaning to prevent damage to the rod and the firearm.
- Use the provided adapter for standard 832 male thread brushes and accessories.
- When using the Dewey Jag, ensure that patches are securely wrapped around or placed over the end to prevent accidents.
- Do not use the 17C and 20C series rods with brush adapters, as they are not included.
- It is recommended to use a breech or muzzle bore guide to enhance safety during cleaning.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure the firearm is unloaded and in a safe condition before starting any cleaning process.
- Gather all necessary cleaning supplies, including patches, brushes, and cleaning solutions.

#### 2. Using the COATED ROD

- Attach the appropriate brush or accessory to the rod using the adapter.
- Insert the rod into the barrel from the breech or muzzle end, depending on the firearm design.
- Use smooth, gentle motions to clean the barrel, avoiding excessive force.
- After cleaning, remove the rod carefully, ensuring no obstructions remain in the barrel.

#### 3. PostUse Care

- Clean the rod after each use to maintain its condition and effectiveness.
- Store the rod in its designated place, away from children and pets.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the rod in regular household waste; check for recycling options or designated disposal sites for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the COATED RODS DEWEY 2734 CALIBER 44" 1228M COATED ROD, please refer to the manufacturer's official website or customer service channels.

Thank you for your attention to these safety instructions. Your safety is our priority, and we appreciate your commitment to responsible firearm maintenance.
