# ONEPIECE SHOTGUN RODS DEWEY 26SBB ROD

## Safety Instruction Guide

### Introduction

Thank you for choosing the ONEPIECE SHOTGUN RODS DEWEY 26SBB ROD. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning rod. Please read this guide carefully before use to understand the potential hazards and how to avoid them.

### General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose—cleaning shotgun barrels.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Regularly inspect the rod for signs of damage or wear before each use. Do not use if damaged.
- Always follow the manufacturer's instructions for cleaning and maintenance.
- Store the cleaning rod in a dry and safe location to prevent damage and accidents.
- Be aware of your surroundings when using the cleaning rod to avoid accidents.

### Specific Safety Precautions for Use

- Use the cleaning rod only with compatible shotgun calibers: .410 Bore, 20 Gauge, 12 Gauge, 10 Gauge, and 28 Gauge.
- Ensure the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
- Avoid excessive force when using the cleaning rod to prevent damage to the barrel or rod.
- When using attachments, ensure they are securely fastened to the rod to prevent detachment during use.
- Do not attempt to modify the cleaning rod or its components.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the cleaning rod, patches, and cleaning solution.

#### 2. Attaching the Universal Brass Patch Loop:

- Take the provided universal brass patch loop and screw it onto the 5/16"27 male thread at the end of the cleaning rod.
- Ensure the attachment is securely tightened.

#### 3. Using the Cleaning Rod:

- Insert the cleaning rod into the shotgun barrel gently.
- Use a backandforth motion to clean the barrel, ensuring not to apply excessive force.
- Periodically check the cleaning patch for dirt and replace as necessary.

#### 4. Switching to Standard Cleaning Attachments:

- If using standard cleaning attachments, first remove the universal patch loop by unscrewing it from the rod.
- Attach the desired cleaning accessory using the included 5/16"27 female adapter.

#### 5. PostCleaning:

- After cleaning, remove the cleaning rod from the barrel.
- Clean the rod with a soft cloth and store it in a safe place.

## **Disposal Instructions**

- Dispose of any cleaning patches, used chemicals, or other materials in accordance with local waste disposal regulations.
- The cleaning rod itself can be disposed of as general waste unless otherwise specified by local regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer or refer to the product packaging for further details.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ONEPIECE SHOTGUN RODS DEWEY 26SBB ROD. Thank you for your attention to safety.
