

PISTOL/SERVICE RIFLE ROD - DEWEY 22-CF-6, 6-1/2" ROD W/8-32 TPI FEM, BRASS LOOP

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Coated To Protect Bores; No Adapter Needed

Designed for cleaning .223 service rifles and most .22 caliber handguns, these coated rods prevent metal-to-metal contact that can scratch the rifling and ruin accuracy. Spring steel rod with durable proprietary coating that resists solvents and abrasion for a lifetime of use. 22-CF-6 & 22-CF-9 have a 8-32 female threaded tip for use with all standard-size cleaning accessories. Includes brass cleaning loop. 22-C-30 has 8-36 male threaded tip that fits included jag, plus a separate 8-32 female threaded adapter for use with standard cleaning accessories.

Safety Instruction Guide for PISTOL/SERVICE RIFLE ROD DEWEY 22CF6, 61/2" ROD W/832 TPI FEM, BRASS LOOP

Introduction

Thank you for choosing the PISTOL/SERVICE RIFLE ROD DEWEY 22CF6. This product is designed for cleaning .223 service rifles and most .22 caliber handguns. Please read this safety instruction guide carefully to ensure safe and effective use of the cleaning rod.

General Safety Guidelines

- Always use the cleaning rod according to the manufacturer's instructions to avoid injury or damage.
- Ensure that the cleaning rod is compatible with the firearm you are using.
- Do not use the cleaning rod for any purpose other than cleaning firearms.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Inspect the cleaning rod regularly for signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Metal to Metal Contact:** The coated rods prevent metal to metal contact that can scratch the rifling and ruin accuracy. Always ensure that the rod is properly aligned with the barrel.
- **Use with Care:** Handle the cleaning rod with care to avoid bending or breaking. Do not force the rod if you encounter resistance.
- **Protective Gear:** It is advisable to wear safety glasses while cleaning firearms to protect your eyes from any potential debris.
- **Ventilation:** Use the cleaning rod in a well ventilated area to avoid inhaling fumes from cleaning solvents.
- **Proper Storage:** Store the cleaning rod in a dry place to prevent rust and corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvents and patches.

2. Attaching the Cleaning Accessory:

- For models 22CF6 and 22CF9, attach the cleaning accessory to the 832 female threaded tip.
- For model 22C30, use the 836 male threaded tip to fit the included jag, or use the 832 female threaded adapter for standard cleaning accessories.

3. Cleaning Process:

- Insert the cleaning rod into the barrel from the breech end (if applicable).
- Use a gentle, steady motion to push the rod through the barrel.
- Avoid pulling the rod back through the barrel to prevent scratching.
- Repeat the process as necessary, applying cleaning solvent to the patches as needed.

4. Post-Cleaning:

- After cleaning, remove the rod and any attached accessories.
- Wipe down the rod with a clean cloth and store it in a safe place.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.
- The cleaning rod itself can be disposed of in regular household waste unless it is damaged or contains hazardous materials. In such cases, follow local disposal guidelines for hazardous waste.

Contact Information for Further Support

For any inquiries or assistance regarding the PISTOL/SERVICE RIFLE ROD DEWEY 22CF6, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your cleaning rod responsibly!
