Safety Instruction Guide for CLEANING ROD JAGS DEWEY JAG, 45J FITS .45 CALIBER

Introduction

Thank you for choosing the Dewey Jag Cleaning Rod. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before using the cleaning rod jags.

General Safety Guidelines

- Always ensure that the cleaning rod jag is compatible with the cleaning rod you are using. The Dewey Jag is specifically designed for use with Dewey Coated Rifle Rods only.
- Keep the cleaning rod jags out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the cleaning rod jags for any signs of wear or damage before each use. Do not use damaged jags.
- Follow all local laws and regulations regarding the use and cleaning of firearms.
- Ensure that you are in a safe and appropriate environment when using the cleaning rod jags, away from flammable materials and hazards.

Specific Safety Precautions for Use

- Use only the appropriate caliber jag for your firearm. The Dewey Jag 45J is specifically designed for .45 caliber firearms.
- Always ensure that the firearm is unloaded before cleaning. Doublecheck that there are no rounds in the chamber or magazine.
- When using the jag, do not apply excessive force. This can damage both the jag and the cleaning rod.
- Avoid using the jag with nonDewey cleaning rods, as this can lead to improper fit and potential safety hazards.
- If you experience any resistance while using the jag, stop immediately and inspect for any obstructions or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the cleaning rod is securely attached to the jag.
- Align the jag with the cleaning rod's end and twist to attach it firmly.
- Make sure the jag is securely in place before proceeding.

2. Usage:

- Insert the jag into the barrel of the firearm from the breech end, if possible.
- Using a cleaning patch, either place it over the end of the jag or wrap it around the jag as per your preference.
- Gently push the jag through the barrel, using a smooth and steady motion.
- After cleaning, remove the jag and patch from the barrel carefully.
- Clean the jag after each use to maintain its condition and effectiveness.

Disposal Instructions

- Dispose of any cleaning patches and materials used with the cleaning rod jags in accordance with local waste disposal regulations.

- Do not dispose of the brass jags in regular household waste. Check with local recycling centers for proper disposal methods for brass materials.

Contact Information for Further Support

For any safety inquiries or further support regarding the Dewey Jag Cleaning Rod, please refer to the official Dewey website or your point of purchase for assistance.

Thank you for prioritizing safety while using the Dewey Jag Cleaning Rod. By following these guidelines, you can ensure a safe and effective cleaning process for your firearm.
