COATED ROD ADAPTERS DEWEY ADAPTER Safety Instruction Guide

Introduction

Thank you for choosing the COATED ROD ADAPTERS DEWEY ADAPTER, LGBP FITS LARGE BORE RODS. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the adapters for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the correct adapter for the specific caliber of your cleaning rod and accessories.
- Do not attempt to modify or alter the product in any way.
- Ensure that all connections are secure before using the cleaning rod with the adapter.
- Avoid using the product in wet or damp conditions to prevent slip hazards.
- If you experience any difficulties during use, stop immediately and consult the instructions or seek assistance.

Instructions for Installation and Usage

1. Identify the Correct Adapter:

- Use the appropriate adapter based on the caliber of your cleaning rod and the accessories you intend to use.
- Refer to the product specifications for compatibility.

2. Installation:

- Align the male end of the cleaning rod with the female end of the adapter.
- Gently twist to connect until secure. Do not overtighten, as this may damage the threads.

3. Usage:

- Once installed, use the cleaning rod as intended for the cleaning of firearms or other applicable uses.
- Ensure that you are applying appropriate pressure and technique to avoid damaging the rod or accessories.

4. PostUse Care:

- After use, detach the adapter from the cleaning rod.
- Clean the adapters and rods to prevent residue buildup.
- Store the adapters in a safe and dry location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
