# Safety Instruction Guide for CLEANING ROD JAGS DEWEY JAG, 338J FITS .338 CALIBER

## Introduction

Thank you for choosing the CLEANING ROD JAGS DEWEY JAG, 338J. This product is designed to assist in the cleaning of .338 caliber firearms. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the cleaning rod jags are used only with Dewey Coated Rifle Rods.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the jags for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to ensure the product's safety.

## Specific Safety Precautions for Use

- Use the jags only for their intended purpose: cleaning .338 caliber firearms.
- Do not exceed the recommended caliber specifications to avoid damage or accidents.
- Handle all cleaning materials with care, following the manufacturer's instructions.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid using excessive force when attaching or removing the jags to prevent injury or product damage.
- Store the jags in a safe, dry place when not in use to prevent accidental harm or loss.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the appropriate Dewey Coated Rifle Rod for use with the jags.
- Gather all necessary cleaning supplies, including patches and cleaning solvents.

### 2. Installation:

- Select the appropriate Dewey Jag (338J) for your cleaning needs.
- Attach the jag to the end of the Dewey Coated Rifle Rod by threading it securely.
- Ensure a tight fit to prevent the jag from detaching during use.

### 3. Usage:

- Insert a cleaning patch over the end of the jag or wrap it around the jag as per your preference.
- Apply a suitable cleaning solvent to the patch if necessary.
- Carefully insert the jag into the barrel of the firearm, ensuring it is pointed in a safe direction.
- Use a smooth, steady motion to pull the jag through the barrel, cleaning as you go.
- Repeat the process as needed, using fresh patches and solvent as required.

### 4. PostUse:

- After cleaning, detach the jag from the rod and clean it with a suitable solvent to remove any residue.
- Store the jag and rod in a safe location, away from children and pets.

## **Disposal Instructions**

- Dispose of any cleaning patches, solvents, or materials according to local regulations.
- The brass jags can be recycled. Check with your local recycling program for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the product or safety concerns, please refer to the manufacturer's website or customer service for assistance.
