

# BRASS JAGS - DEWEY 17JM FITS .17 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Best Quality, Excellent Design

Extra-long jag with raised, ribbed segments to press more of a patch's surface against the bore to absorb more fouling. Fit Dewey Stainless, Rig, and Hoppe's rods. Require adapters when used with Dewey Coated Rods. 17 and 20 caliber male threaded jags do not need adapters to fit into the 17 and 20 caliber coated rods.

# Safety Instruction Guide for BRASS JAGS DEWEY 17JM FITS .17 CALIBER

## Introduction

Thank you for choosing the BRASS JAGS DEWEY 17JM, designed for effective cleaning of .17 caliber firearms. This guide provides essential safety instructions to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only as intended, specifically for cleaning .17 caliber firearms.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly check the product for any signs of wear or damage before use.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the jag with the appropriate cleaning rod. The BRASS JAGS DEWEY fits Dewey Stainless, Rig, and Hoppe's rods.
- Use adapters when using the jag with Dewey Coated Rods to ensure a secure fit.
- Do not use 17 and 20 caliber male threaded jags with rods that are not specifically designed for them.
- Avoid using excessive force when cleaning, as this may damage the jag or the firearm.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Wear safety goggles to protect your eyes from any cleaning solvents or debris.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the BRASS JAGS DEWEY jag, cleaning rod, and patches.

### 2. Attaching the Jag

- If using Dewey Coated Rods, attach the appropriate adapter to the rod.
- Screw the BRASS JAGS DEWEY jag onto the cleaning rod securely. Ensure it is tightened to prevent detachment during use.

### 3. Using the Jag

- Insert a cleaning patch into the jag. The extralong design and ribbed segments help press more surface area against the bore.
- Gently insert the jag into the bore of the firearm. Do not force it.
- Pull the jag through the bore, allowing the patch to clean the interior surfaces. Repeat as necessary until the bore is clean.

### 4. PostUse Care

- After cleaning, remove the jag from the cleaning rod.
- Clean the jag with appropriate solvents and allow it to dry before storage.

- Store the jag in a safe place, out of reach of children.

## **Disposal Instructions**

- Dispose of any used cleaning patches and solvents according to local regulations.
- If the jag is damaged or no longer usable, dispose of it in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BRASS JAGS DEWEY 17JM, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By following these guidelines, you can ensure the safe and effective use of the BRASS JAGS DEWEY 17JM for cleaning your .17 caliber firearms. Thank you for prioritizing safety in your firearm maintenance practices.
