

# "PARKER HALE" STYLE JAGS - DEWEY MALE, 22-PH FITS .22-24 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Traditional, Wrap-Around-Style Grips Patch In Both Directions

Cut slightly smaller so a full size patch can be wrapped around the jag.  
Exposes more patch area to the bore to give quicker, more uniform cleaning.  
Serrated teeth are fully covered and grip the patch to hold it when scrubbing in both directions.

# Safety Instruction Guide for PARKER HALE Style Jags Dewey Male, 22PH Fits .2224 Caliber

## Introduction

Thank you for choosing the PARKER HALE Style Jags Dewey Male, designed for cleaning firearms in the .22 to .24 caliber range. This guide provides essential safety instructions and usage information to help ensure your safety and the effective use of the product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure safe handling of the product to prevent accidents.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety notices on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always inspect the jag for damage before use. Do not use if it is damaged or worn.
- Use only with compatible cleaning rods that have 832 female threads for standard PH fit or CPH style rods.
- Avoid using excessive force when scrubbing to prevent damage to the jag or bore.
- Ensure the firearm is unloaded before cleaning.
- Use eye protection to prevent injury from debris or cleaning materials.
- Store the jag in a safe, dry place away from moisture and extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including patches and cleaning rods.

### 2. Attaching the Jag

- Select the appropriate cleaning rod compatible with the jag.
- Screw the jag onto the cleaning rod until secure. Ensure it is tightly fastened to prevent detachment during use.

### 3. Using the Jag

- Cut a cleaning patch slightly smaller than the jag to fit snugly.
- Wrap the patch around the jag, ensuring it covers the serrated teeth for better grip.
- Insert the jag into the bore from the chamber end, if applicable, and gently scrub back and forth.
- Avoid excessive scrubbing force to maintain the integrity of both the jag and the firearm bore.

### 4. PostUse Care

- After cleaning, remove the jag and patch from the firearm.
- Clean the jag with appropriate cleaning solutions to remove any residue.
- Dry the jag thoroughly before storing.

## **Disposal Instructions**

- Dispose of the jag responsibly at a designated waste facility if it becomes damaged beyond use.
- Follow local regulations regarding the disposal of cleaning materials and chemicals.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please contact the manufacturer or your local retailer. Ensure you have the product details on hand for reference.

By following these safety instructions, you can ensure a safe and efficient cleaning process for your firearms. Thank you for your attention to safety and responsible firearm maintenance.
