Safety Instruction Guide for Springfield Stock Set Fixed Walnut Boyds Stock Set Fixed Brown

Introduction

Thank you for choosing the Springfield Stock Set Fixed Walnut Boyds Stock Set Fixed Brown. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the stock set with care to prevent injury.
- Keep the stock set away from children and vulnerable individuals.
- Regularly inspect the stock for any signs of damage or wear.
- In the event of a recall, follow all instructions provided by the manufacturer.

Specific Safety Precautions for Use

- Always wear protective eyewear when handling tools or during installation.
- Ensure that your working area is clean and free of clutter.
- Use tools that are in good condition and suitable for the installation process.
- Never attempt to modify or alter the stock set beyond its intended design.
- Do not use the stock set if it shows signs of damage or if it has been involved in an accident.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure that you have a clear workspace.

2. Installation Steps:

- Remove the existing stock from your M1 Garand following the manufacturer's guidelines.
- If using the Finished (F) stock, ensure it fits your inhouse action for dropin installation.
- For Unfinished (UF) stocks, additional sanding may be required for a proper fit.
- If using the Virtual Inlet (VI) or SemiInlet (SI) stock, be prepared for minor fitting adjustments.
- Align the stock with the action and secure it according to the manufacturer's instructions.
- Attach the front and rear handguards, ensuring they are firmly in place.

3. PostInstallation:

- Conduct a thorough inspection to ensure all parts are securely attached.
- Test the functionality of the rifle in a safe and controlled environment.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the stock set becomes damaged beyond repair, contact your local waste management authority for guidance on disposal options.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product recalls, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority.
