# MARK II Trigger Safety Instructions

## Introduction

Thank you for choosing the MARK II Trigger by Dayton Traister. This guide provides essential safety information and instructions for the safe and effective use of your new trigger. Please read this manual carefully to ensure proper handling and compliance with safety regulations.

## General Safety Guidelines

- Ensure that the trigger is installed and used according to the manufacturer's instructions.
- Regularly inspect the trigger for any signs of wear or damage. Do not use a damaged trigger.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Familiarize yourself with the local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Only use the MARK II Trigger with compatible military rifles as specified in the product description.
- Adjust the trigger pull weight only when the firearm is in a safe and secure position.
- Ensure the firearm is unloaded before making any adjustments to the trigger.
- Avoid using excessive force when adjusting the trigger settings to prevent damage.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm equipped with the trigger.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove Existing Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from the firearm.
3. **Install the MARK II Trigger:**
  - Align the trigger with the designated mounting points on the firearm.
  - Securely attach the trigger using the appropriate screws and tools as per the manufacturer's guidelines.
4. **Adjust Settings:**
  - Adjust for overtravel and pull weight (2 to 7 lbs.) according to your preference.
  - Ensure that the adjustments do not compromise the safety of the firearm.
5. **Final Inspection:** Check that the trigger is securely installed and operates smoothly before using the firearm.

### Usage

- Before using the firearm, conduct a function check to ensure the trigger operates correctly.
- Always follow standard firearm safety rules when handling and shooting.
- If the trigger feels abnormal or if there are any malfunctions, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of any old or unused firearm components, including the original trigger, in accordance with local regulations.
- Ensure that all hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries regarding the MARK II Trigger, including safety concerns or technical support, please consult the manufacturer's website or contact their support team directly.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MARK II Trigger. Always prioritize safety and compliance with local laws when handling firearms.
