Safety Instruction Guide for WIRE BRUSHES

DREMEL #428 WIRE BRUSH, 2PAK

Introduction

Thank you for choosing the WIRE BRUSHES DREMEL #428 WIRE BRUSH, 2PAK. These small, versatile steel brushes are designed for efficiently removing rust, corrosion, and polishing metal surfaces. This safety instruction guide provides essential information on the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and follow the instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves, goggles, and masks when using the wire brushes.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always secure the workpiece before using the wire brush to prevent movement.
- Use the wire brushes at the recommended speed settings of your rotary tool.
- Avoid applying excessive pressure while using the brushes to prevent breakage.
- Do not use the brushes on soft materials or surfaces that may be damaged.
- Ensure that the area is wellventilated during use to avoid inhalation of dust and debris.
- Be aware of flying debris and keep bystanders at a safe distance.
- Always unplug the rotary tool when changing brushes or making adjustments.

Instructions for Installation and Usage

1. Installation:

- Ensure the rotary tool is unplugged before installation.
- Select the appropriate wire brush for your task.
- Insert the 1/8" (3.2mm) shank of the wire brush into the collet of the rotary tool.
- Tighten the collet securely to prevent the brush from loosening during use.

2. Usage:

- Plug in the rotary tool and switch it on.
- Hold the tool firmly and position the wire brush against the surface to be cleaned or polished.
- Move the brush in a controlled manner, allowing the bristles to do the work without excessive force.
- Periodically check the brush for wear and replace if necessary.

Disposal Instructions

- Dispose of the wire brushes in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is deemed hazardous.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the WIRE BRUSHES DREMEL #428 WIRE BRUSH, 2PAK, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and effective experience with your WIRE BRUSHES DREMEL #428 WIRE BRUSH, 2PAK. Thank you for your attention to safety!
