

# PROTECTIVE COVERS - SCOPECOAT FOR TRIJICON REFLEX/C-MORE SERENDIPITY SL FOR RX01

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

# Safety Instruction Guide for SCOPECOAT Protective Covers

## Introduction

Thank you for choosing the SCOPECOAT Protective Covers designed for Trijicon Reflex/CMore Serendipity SL for RX01. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the SCOPECOAT Protective Cover is suitable for your specific scope model.
- Regularly inspect the cover for any signs of wear or damage before each use.
- Avoid using the cover in extreme weather conditions that may compromise its integrity.
- Keep the product out of reach of children and pets to prevent accidental damage or use.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the SCOPECOAT cover as a substitute for proper handling and care of your scope.
- Ensure that the cover is securely fitted before transporting your scope to avoid accidental slips.
- Avoid exposing the cover to sharp objects that may puncture or tear the material.
- Do not wash the cover in a washing machine; instead, clean it with a damp cloth and mild soap.
- Store the cover in a cool, dry place when not in use to maintain its elasticity and durability.

## Instructions for Installation and Usage

### 1. Installation:

- Align the SCOPECOAT cover with your scope, ensuring that the opening fits over the eyepiece and objective lens.
- Gently stretch the cover over the scope, ensuring it fits snugly but not too tight.
- Adjust the fit according to your preference, from a relaxed fit to a more formfitted one.

### 2. Usage:

- To remove the cover, simply pull it off gently from the scope without using excessive force.
- Inspect the scope and cover regularly while in use to ensure no moisture or dust has entered.

## Disposal Instructions

- Dispose of the SCOPECOAT cover in accordance with local regulations for plastic and rubber materials.
- Do not incinerate the product as it may release harmful substances.
- If the cover is damaged beyond use, consider recycling options where available.

## Contact Information for Further Support

For any inquiries regarding the safety or use of the SCOPECOAT Protective Covers, please contact your local distributor or visit our website for more information.

Thank you for following these safety guidelines. Enjoy using your SCOPECOAT Protective Cover to keep your scope safe and secure!
