

XP-6 FLAK JACKET PROTECTIVE COVERS - XP-6 SCOPECOAT LEUPOLD CQ/T BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Protect your valuable scope with the Scopecoat. The Scopecoat Cover stretches over your scope shielding the entire scope from dust, dirt, moisture, dings, and scratches. The Scopecoat is constructed of high quality Neoprene laminated with nylon. The Neoprene has a 5 percent moisture absorbency, which takes moisture away from the scope. The XP-6 is available for tall turret scopes such as Law Enforcement, Benchrest and Varmint scopes. Unique to the XP-6 is the 6mm thickness (3 times the normal Scopecoat thickness) for extra protection. Scopes have a way of bumping into other guns in the safe and the Scopecoat protects the scope and your other guns.

XP6 FLAK JACKET PROTECTIVE COVERS USER MANUAL

Introduction

Thank you for choosing the XP6 Flak Jacket Protective Covers. This product is designed to protect your valuable scope from dust, dirt, moisture, dings, and scratches. Constructed from highquality Neoprene laminated with nylon, the Scopecoat ensures that your scope remains in optimal condition. This manual provides important safety instructions and guidelines to ensure safe and effective use of the XP6 Flak Jacket.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use with all nonfood items, including new technologies and online purchases.
- **Enhanced Recalls:** In case of any safety concerns, standardized recall notices will be issued, and remedies will be provided for dangerous products.
- **Online Shopping:** When purchasing online, you have the same protections as when buying in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the EUbased contact provided on the product packaging.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Excessive Moisture:** While the Neoprene material has a 5 percent moisture absorbency, avoid exposing the Scopecoat to excessive moisture.
- **Inspect Regularly:** Regularly check the Scopecoat for signs of wear or damage. Replace if any defects are found.
- **Keep Away from Fire:** The material is not fireresistant. Keep the Scopecoat away from open flames and high heat sources.
- **Store Properly:** When not in use, store the Scopecoat in a cool, dry place to prolong its lifespan.
- **Use for Intended Purpose:** The Scopecoat is designed specifically for tall turret scopes. Do not use it for other purposes.

Instructions for Installation and Usage

1. Preparation:

- Ensure your scope is clean and dry before applying the Scopecoat.
- Remove any previous covers or protective equipment.

2. Installation:

- Gently stretch the Scopecoat over the scope, ensuring that it covers the entire surface.
- Make sure the Scopecoat fits snugly around the turret and eyepiece without obstructing any lens.

3. Usage:

- The Scopecoat can be left on during storage and transport to protect against dust and scratches.
- If using in wet conditions, remove the Scopecoat when the scope is in use to prevent moisture buildup.

4. **Maintenance:**

- Clean the Scopecoat with a damp cloth as needed. Avoid using harsh chemicals or abrasive materials.

Disposal Instructions

- **Disposal:** When the Scopecoat has reached the end of its life, dispose of it in accordance with local waste management regulations.
- **Recycling:** If possible, recycle the Neoprene and nylon materials at designated recycling centers.

Contact Information for Further Support
