

# PROTECTIVE COVERS - SCOPECOAT FOR TRIJICON ACOG TA-01 NSN/BUSHNELL HOLOSIGHT XLP

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

Trijicon ACOG TA-01 NSN/Bushnell Holosight XLP Blacky

# SCOPECOAT PROTECTIVE COVERS FOR TRIJICON ACOG TA01 NSN/BUSHNELL HOLOSIGHT XLP

## Introduction

Thank you for choosing the SCOPECOAT Protective Covers designed specifically for the Trijicon ACOG TA01 NSN and Bushnell Holosight XLP. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. It is crucial to follow these guidelines to enhance your experience and protect both the product and its users.

## General Safety Guidelines

- Ensure that the product is used as intended and according to the manufacturer's specifications.
- Regularly inspect the cover for any signs of wear or damage before each use.
- Keep the cover out of reach of children and pets to prevent accidents.
- Do not use the cover if it is damaged or shows signs of deterioration.
- Follow all local regulations regarding the use and storage of protective equipment.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The cover is designed to protect your scope from dust, moisture, and scratches. However, it does not provide impact protection.
- Avoid exposing the cover to extreme temperatures or direct sunlight for prolonged periods.

### • Usage Instructions:

- Ensure the scope is clean and dry before placing the cover on it.
- Do not attempt to use the scope while the cover is in place, as this may obstruct your view and compromise safety.

### • AgeSpecific Warnings:

- This product is not a toy. It should not be used by children without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the SCOPECOAT Protective Cover from its packaging.
- Identify the front and rear ends of the cover.
- Gently slide the cover over the scope, ensuring it fits snugly without excessive force.

### 2. Usage:

- Once the cover is installed, ensure that it does not obstruct any operational features of the scope.
- Remove the cover before using the scope for optimal performance.
- After use, clean the scope as necessary and replace the cover to protect it from environmental factors.

### 3. Maintenance:

- Clean the cover periodically with a damp cloth to remove dirt and debris.
- Allow the cover to air dry completely before storing it.

## **Disposal Instructions**

- Dispose of the SCOPECOAT Protective Cover in accordance with local waste management regulations.
- If the cover is damaged beyond repair, consider recycling it if possible, or dispose of it in a manner that minimizes environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SCOPECOAT Protective Covers, please reach out to the manufacturer's customer service or refer to the product's official website for additional support.

By adhering to these guidelines, you can ensure the safe and effective use of your SCOPECOAT Protective Covers. Thank you for your attention to these important safety instructions.
