

# PROTECTIVE COVERS - SCOPECOAT FOR EOTECH 553/516/556

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

## Attributes

# SCOPECOAT PROTECTIVE COVERS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SCOPECOAT PROTECTIVE COVERS for your EOTech 553, EOTech 556, or EOTech 516 scopes. This guide provides essential safety information, installation instructions, and usage tips to ensure your product is used safely and effectively.

## General Safety Guidelines

- Ensure that the SCOPECOAT is suitable for your specific scope model.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children to prevent accidental use or injury.
- Avoid using the SCOPECOAT in extreme temperatures or conditions that may compromise its integrity.
- Regularly check for updates on product safety and recalls through official channels.

## Specific Safety Precautions for Use

- Do not use the SCOPECOAT if it shows signs of damage, such as tears or excessive wear.
- Ensure that the SCOPECOAT is securely fitted to your scope before handling.
- Avoid exposing the SCOPECOAT to harsh chemicals or solvents that may degrade the material.
- If the SCOPECOAT becomes wet, allow it to dry completely before storage to prevent mold or mildew.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your scope is clean and dry before applying the SCOPECOAT.
- Check that the SCOPECOAT is the correct size for your scope model.

### 2. Installation:

- Hold the SCOPECOAT with the nylonfacing side facing outward.
- Align the SCOPECOAT with the scope and gently stretch it over the eyepiece and objective lens.
- Ensure that the SCOPECOAT is snug but not overly tight. It should fit securely without slipping.

### 3. Usage:

- The SCOPECOAT can be easily removed and reapplied as needed.
- When not in use, store the SCOPECOAT in a cool, dry place away from direct sunlight.
- Regularly inspect the SCOPECOAT for wear and tear, especially if it is frequently used.

## Disposal Instructions

- Dispose of the SCOPECOAT responsibly according to local waste management regulations.
- If the product is damaged beyond use, consider recycling if possible, or follow local guidelines for disposal of rubber and nylon materials.

## Contact Information for Further Support

For any safety inquiries or support regarding the SCOPECOAT PROTECTIVE COVERS, please refer to the official website or customer service channels provided by the manufacturer.

By following these guidelines, you can ensure the safe use of your SCOPECOAT PROTECTIVE COVERS, enhancing the longevity and performance of your scope while maintaining compliance with EU General Product Safety Regulations.
