

# PROTECTIVE COVERS - SCOPECOAT FOR EOTECH 557/517

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Nylon-faced, stretchy neoprene rubber cushions any rifle or pistol scope from everyday bumps, scratches, dings, moisture, and dust. Snaps on and off quickly without using rubber bands, clips, or strings. Scopecoat™ stretches approximately 10% and the "perfect fit" is a matter of personal preference -- ranging between a relaxed fit to a more form-fitted one.

# SCOPECOAT PROTECTIVE COVERS SCOPECOAT FOR EOTECH 557/517 Safety Instructions

## Introduction

Thank you for choosing the SCOPECOAT Protective Covers for your EOTech 557/517. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

- Always inspect the SCOPECOAT for any signs of wear or damage before each use.
- Ensure that the SCOPECOAT is properly fitted to your scope to prevent it from slipping off during use.
- Keep the product out of reach of children to avoid accidents or misuse.
- Do not use the SCOPECOAT for any purpose other than protecting your rifle or pistol scope.
- If you notice any unusual behavior or damage to the product, discontinue use immediately and report it to the appropriate authorities.

## Specific Safety Precautions for Use

- **Moisture Protection:** While the SCOPECOAT offers moisture protection, it is not waterproof. Avoid exposing your scope to heavy rain or submerging it in water.
- **Heat Exposure:** Do not leave the SCOPECOAT in direct sunlight or in high-temperature environments for extended periods, as this may degrade the material.
- **Cleaning:** Clean the SCOPECOAT with a damp cloth. Avoid using harsh chemicals or abrasive materials that may damage the neoprene or nylon.
- **Fitting:** The SCOPECOAT stretches approximately 10%. Ensure that it is fitted snugly but not overly tight to avoid damage to your scope.

## Instructions for Installation and Usage

### 1. Fitting the SCOPECOAT:

- Carefully slide the SCOPECOAT over your scope, ensuring it covers the entire surface.
- Adjust the fit as necessary to achieve a comfortable and secure fit.
- Ensure that the SCOPECOAT is snapped on properly to prevent it from coming off during use.

### 2. Removing the SCOPECOAT:

- Gently pull the SCOPECOAT away from the scope to remove it.
- Avoid using excessive force, as this may damage both the SCOPECOAT and your scope.

### 3. Storage:

- When not in use, store the SCOPECOAT in a cool, dry place away from direct sunlight.
- Ensure that it is clean and free from debris before storage.

## Disposal Instructions

- Dispose of the SCOPECOAT according to local regulations regarding the disposal of rubber and nylon products.
- Do not incinerate the product, as this may release harmful chemicals into the environment.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SCOPECOAT Protective Covers, please contact the manufacturer or your local retailer for assistance. Always ensure that you have the product details on hand when seeking support.

By following these guidelines, you can ensure a safe and enjoyable experience with your SCOPECOAT Protective Cover. Thank you for your attention to these important safety instructions.
